Appointment of Chief Financial Officer and Company Secretary

Strandline Resources (**ASX: STA**) is pleased to announce that Flavio Garofalo has been appointed as Chief Financial Officer (CFO) and Company Secretary.

Mr Garofalo is a finance and corporate executive with over 20 years' experience in the mining industry. He was most recently Commercial Manager at Fortescue Metals Group and has held several other senior executive roles for ASX-listed mining companies, including General Manager of Finance, CFO and Company Secretary.

Mr Garofalo has extensive experience in project financing, capital raisings and investor relations for listed resources companies which have transitioned from exploration and development to production.

He is a member of CPA Australia with operational experience in both major and junior mining companies working in various jurisdictions including Africa, China and Australia.

Strandline Managing Director Luke Graham said: "Flavio's financial skills and experience will be highly valuable to Strandline as we move to secure project funding and other commercial arrangements across our portfolio of heavy minerals sands projects in Australia and Tanzania."

Strandline wishes to thank former CFO, Tony Brazier, and former Company Secretary, Geoff James, for their contributions to the Company.

ABOUT STRANDLINE

Strandline Resources Limited (**ASX: STA**) is an emerging heavy mineral sands (**HMS**) developer with a growing portfolio of 100%-owned development assets located in Western Australia and within the world's major zircon and titanium producing corridor in South East Africa. Strandline's strategy is to develop and operate quality, high margin, expandable mining assets with market differentiation and global relevance.

Strandline's project portfolio comprises development optionality, geographic diversity and scalability. This includes two zircon-rich, 'development ready' projects, the Fungoni Project in Tanzania and the large Coburn Project in Western Australia, as well as a series of titanium dominated exploration targets spread along 350km of highly prospective Tanzanian coastline, including the advanced Tanga South Project and highly prospective Bagamoyo and Sudi Projects.

The Company's focus is to continue its aggressive exploration and development strategy and execute its multi-tiered and staged growth strategy to maximise shareholder value.
