CHANGE OF NAME AND ASX CODE FROM 8 DECEMBER 2014

Gunson Resources Limited (**ASX Code: GUN**) advises that following shareholder approval for a change of name to Strandline Resources Limited on 26 November 2014, ASIC and ASX have now completed the necessary registration procedures to effect the change of name.

From Monday, 8 December 2014 the Company will be trading under the name of Strandline Resources Limited and the ASX Code of **STA**.

Strandline's Managing Director, Mr Richard Hill said the change of name represented another step in the continued growth of the Company into a Diversified Mineral Sands house. With the combination of a construction ready mineral sands project in Western Australia and the newly acquired potential of the country wide exploration strategy in Tanzania, the Company is set to benefit from future uplift in the mineral sands price cycle.
