### About Strandline

Strandline Resources Limited (ASX: STA) is a Tanzanian-focused mineral sands developer positioned within the world's major zircon and titanium producing corridor in South East Africa. Strandline has a dominant mineral sands position with a series of 100% owned projects spread along 350km of the Tanzanian coastline.

Following the recent placement and Rights Offer by Tembo Capital the Company is financially robust and as at 31 August had A\$4.8 million in the bank. This position underwrites an aggressive exploration and development strategy to progress quality "low cost" projects based on high value titanium and zircon products.

Strandline is listed on the Australian Stock Exchange with offices in Perth and Dar es Salaam.
