EXPLANATORY MEMORANDUM

This Explanatory Memorandum and all attachments are important documents and should be read carefully. If you have any questions regarding the matters set out in this Explanatory Memorandum or the preceding Notice of Meeting please contact the Company, your stockbroker or other professional adviser.

This Explanatory Memorandum has been prepared for Shareholders in connection with the AGM of the Company to be held on Thursday, 24 November 2022.

The purpose of this Explanatory Memorandum is to provide Shareholders with information the Board believes to be material to Shareholders in deciding whether or not to approve the resolutions detailed in the Notice of Meeting.

1. Financial Reports

The Corporations Act requires the annual Financial Report, Directors' Report, and the Auditor's Report to be received and considered at the AGM. Refer to item 9 of the Notes of the Notice of Meeting as to how to obtain a copy of the Annual Report.

The Corporations Act does not require Shareholders to vote on the Annual Report. However, Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the financial statements and reports contained within the Annual Report.

The Company's auditor, BDO Audit (WA) Pty Ltd, will be present at the AGM and Shareholders will have the opportunity to ask the auditor questions in relation to the conduct of the audit, the preparation and content of the Auditor's Report, the Company's accounting policies and the independence of the auditor in relation to the conduct of the audit.

2. Resolution 1 - Adoption of the Remuneration Report

The Annual Report for the year ended 30 June 2022 contains the Remuneration Report which:

- (a) sets out the remuneration policy for the Company;
- (b) discusses the relationship between the remuneration policy and the Company's performance; and
- (c) details the remuneration arrangements of Key Management Personnel, including the Managing Director, senior executives and non-executive Directors.

The Remuneration Report is contained within the Directors' Report in the Company's Annual Report (pages 24 to 30) and can be found in the annual report section of the website at <http://www.strandline.com.au>.

Voting on the adoption of the Remuneration Report is for advisory purposes only and will not bind the Directors or the Company. The Chair will allow reasonable opportunity for Shareholders to ask questions about, or comment on, the Remuneration Report at the meeting.

Section 250R(3) of the Corporations Act provides that the vote on the adoption of the Remuneration Report is for advisory purposes only and will not bind the Directors of the Company. However, under the Corporations Act if there are two consecutive votes at annual general meetings of the Company against the Company's remuneration report of 25% or more (each year's votes being considered a **Strike**), at the second consecutive annual general meeting at which a Strike occurs, a resolution must be put to Shareholders to hold another meeting where each Director is nominated for re-election (**Spill Resolution**). If the Spill Resolution is passed, then the Company is required to hold an additional general meeting (**Further Meeting**) within 90 days of the Spill Resolution. At the Further Meeting all Directors (excluding the Managing Director) must be nominated for re-election.

The Remuneration Report for the year ended 30 June 2021 (the previous financial year) did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on 30 November 2021. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

Section 250R(4) of the Corporations Act prohibits any votes on this Resolution being cast by Key Management Personnel (or their Associates) whose remuneration details are disclosed in the Remuneration Report. However, an exception to this prohibition exists to enable the Chair to vote Shareholders' undirected proxy votes.

In this regard, you should specifically note that if you appoint the Chair as your proxy and you indicate on the Proxy Form you do not wish to specify how the Chair should vote on Resolution 1, the Chair will cast your votes in favour

of Resolution 1.

If you wish to appoint the Chair as your proxy but do NOT want your votes to be cast in favour of Resolution 1, you must indicate your voting intention by marking either 'against' or 'abstain' against Resolution 1 in the Proxy Form.

3. Resolution 2 – Re-election of Mr Mark David Hancock as a Director

Article 9.3 of the Constitution requires that at each annual general meeting of the Company, one third of the Directors (to the nearest whole number), must retire from office. A retiring Director is eligible for re-election. In accordance with Article 9.3 of the Constitution, Mr Hancock retires by rotation and offers himself for re-election.

The Board considers the mix of executive and non-executive Directors collectively brings the range of skills, knowledge and experience necessary to direct the Company. Mr Hancock was appointed as a Director by the Board on 11 August 2020, a position he has continued to hold since that time. With effect from the conclusion of this AGM, and subject to Resolution 2 being passed, Mr Hancock will remain a Director.

Mr Hancock, who holds a Bachelor of Business (B.Bus) degree, is a Chartered Accountant (CA) and a Fellow of the Financial Services Institute of Australia (F FIN), has over 30 years' experience in key financial, commercial and marketing roles across a variety of industries with a strong focus on natural resources. During 13 years at Atlas Iron, Mr Hancock served in numerous roles including CCO, CFO, Executive Director and Company Secretary. He also has strong board-level experience, particularity on matters covering governance, financial reporting, offtake marketing, mergers and acquisitions, risk management and strategy. Mr Hancock has served as a director on a number of ASX-listed entities and is currently a director of nickel explorer Centaurus Metals (appointed as a Non-Executive Director on 23 September 2011) and mineral exploration and producing company CuFe Ltd (appointed as an Executive Director on a part-time basis from 1 September 2019).

Mr Hancock is also Chair of the Audit and Risk Committee and a member of the Remuneration and Nomination Committee.

The Board considers Mr Hancock independent on the basis that his Executive Director role is part time for a maximum of 3.5 days a week leaving 1.5 days a week for performance of his Non-Executive Director roles.

The Board (with the exception of Mr Hancock, to whom this Resolution relates) recommends Shareholders vote in favour of Resolution 2.

4. Resolution 3 – Re-election of Mr John Russell Hodder as a Director

Article 9.3 of the Constitution requires that at each annual general meeting of the Company, one third of the Directors (to the nearest whole number), must retire from office. A retiring Director is eligible for re-election. In accordance with Article 9.3 of the Constitution, Mr Hodder retires by rotation and offers himself for re-election.

The Board considers the mix of executive and non-executive Directors collectively brings the range of skills, knowledge and experience necessary to direct the Company. Mr Hodder was appointed as a Director by the Board on 8 June 2016, a position he has continued to hold since that time. With effect from the conclusion of this AGM, and subject to Resolution 3 being passed, Mr Hodder will remain a Director.

Mr Hodder is a geologist and co-founder of Tembo Capital with 30 years' of experience in the mining, oil & gas industry. Prior to establishing Tembo, he was a resource-focused equity Fund Manager for Solaris, an Australian equity investment house. Previously, he founded and was a Director of CDC's Minerals, Oil & Gas investment division (from 1995) where he generated and arranged private equity and debt deals with a focus on the mining sector within emerging markets. Mr Hodder is also a member of the Audit & Risk Committee and Remuneration & Nomination Committee.

The Board considers Mr Hodder to be a Non-Executive Director and Non-Independent.

The Board (with the exception of Mr Hodder, to whom this Resolution relates) recommends Shareholders vote in favour of Resolution 3.

5. Resolution 4 – Ratification of Placement Shares

5.1 Background

On 6 April 2022, the Company announced a capital raising through the issue of 116,279,070 Shares (**Placement Shares**) to sophisticated and professional investors at an issue price of \$0.43 per Placement Share to raise a total of approximately \$50,000,000 (before costs) (**Placement**).

The Placement Shares were issued on 13 April 2022 under the Company's Listing Rule 7.1 capacity. Funds raised from the Placement Shares will be used primarily to fund the near-term development of Strandline's Fungoni mineral sands project in Tanzania, while in parallel advancing key feasibility studies and approvals for the large-scale Tajiri mineral sands project in Tanzania and the potential future expansion at Strandline's Coburn mineral sands project in WA.

5.2 Listing Rule 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of shareholders over any 12 month period to 15% of the fully paid Shares it had on issue at the start of that period.

The issue of the 116,279,070 Placement Shares the subject of Resolution 4 does not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks Shareholder approval to the issue of the 116,279,070 Placement Shares the subject of Resolution 4 for the purposes of Listing Rule 7.4.

5.3 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the issue of the 116,279,070 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 4 is not passed, the issue of the 116,279,070 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

5.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Placement Shares were issued to sophisticated and professional investors (within the meaning of sections 708(8) – (11) of the Corporations Act), none of whom are Related Parties of the Company, a member of Key Management Personnel, a substantial holder in the Company, an adviser to the Company or an associate of any such person. The Placement Shares were issued to existing Shareholders, and professional and sophisticated investors.;
- (b) a total of 116,279,070 Placement Shares were issued pursuant to Listing Rule 7.1;
- (c) the Placement Shares were issued on 13 April 2022;
- (d) the Placement Shares are fully paid ordinary shares that rank equally in all respects with the Company's existing Shares;
- (e) the Placement Shares were issued for \$0.43 each, raising a total of approximately \$50,000,000 (before costs);
- (f) the purpose of the issue of the Placement Shares was primarily to fund the near-term development of Strandline's Fungoni mineral sands project in Tanzania, while in parallel advancing key feasibility studies and approvals for the large-scale Tajiri mineral sands project in Tanzania and the potential future expansion at Strandline's Coburn mineral sands project in WA. Shaw and Partners Limited and Morgans Corporate Limited acted as Joint Lead Managers and Bookrunners to the Placement with Euroz Hartleys acting as Co-Lead Manager through the introduction of a sophisticated and professional investors; and

(g) a voting exclusion statement has been included in the Notice of Meeting for the purposes of Resolution 4.

5.5 Directors' Recommendation

The Directors unanimously recommend Shareholders vote in favour of Resolution 4.

6. Resolution 5 – Approval of Short Term Incentive Plan

6.1 Background

The Directors have resolved to refresh the terms of the Short-Term Incentive Plan (**STI Plan**). The purpose of the Plan is to assist in the recruitment, reward, retention and motivation of executive-level employees of the Company and encourage achievement of short term strategic business objectives and ownership of shares in the Company by those employees.

The terms of the STI Plan the subject of this Resolution 5 are the same as the version of that plan approved by Shareholders at the Company's annual general meeting held on 28 November 2019, save and except for the following minor amendments:

- (a) references to ASIC Class Order 14/1000 have been removed and replaced with references to the employee share scheme provisions contained in Division 1A of Part 7.12 of the Corporations Act (which came into effect in October 2022) (**Part 7.12 Regime**);
- (b) removal of the clause placing a limit on the number of Shares that can be issued under the STI Plan (although note Section 6.4(c) below); and
- (c) the offer letter template contained as a schedule to the STI Plan has been updated to include disclosure required by the Part 7.12 Regime.

6.2 Listing Rule 7.2 – Summary of the STI Plan

A summary of the main provisions of the STI Plan is set out in Schedule 1.

6.3 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to issue Shares under the STI Plan to eligible participants over a period of 3 years. The issue of any Shares to eligible participants under the STI Plan (up to the maximum number of Shares stated in Section 6.4(c) below) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company will be required to seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Shares under the STI Plan to a Related Party or a person whose relationship with the Company or the Related Party is, in ASX's opinion, such that approval should be obtained.

If Resolution 5 is not passed, the Company will be able to proceed with the issue of Shares under the STI Plan to eligible participants, but any issues of Shares will reduce, to that extent, the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Shares.

6.4 Technical information required by Listing Rule 7.2 (Exception 13(b))

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to Resolution 5:

- (a) A summary of the key terms and conditions of the STI Plan is set out in Schedule 1.
- (b) Since the STI Plan was last approved by Shareholders on 28 November 2019, the Company has issued 4,989,241 Shares under the STI Plan.
- (c) The maximum number of Equity Securities proposed to be issued under the STI Plan following Shareholder approval is 62,544,433 Equity Securities. The maximum number is not intended to be a prediction of the actual number of Equity Securities to be issued under the STI Plan, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)). It is not envisaged that the maximum number of Equity Securities for which approval is sought will be issued immediately.
- (d) A voting exclusion statement has been included in this Notice.

6.5 Directors' Recommendation

All the Directors recommend that Shareholders vote in favour of Resolution 5, with the exception of Mr Graham who abstains from making a recommendation in that regard on the basis he is eligible to participate in the STI Plan if it is approved by Shareholders.

7. Resolution 6 – Approval of Issue of Shares to Mr Luke Edward Graham under the Short Term Incentive Plan

7.1 Background

Mr Graham was appointed as the Company's Managing Director and Chief Executive Officer on 19 September 2016. As part of Mr Graham's terms of employment with the Company, the Board has (subject to obtaining all necessary approvals from Shareholders) notified Mr Graham that he is eligible to participate in the STI Plan.

Under the terms of that notice, Mr Graham's entitlement to incentivisation under the Plan will be subject to the achievement of a series of both financial and non-financial annual key performance indicators (**KPIs**). Those KPIs will be set and agreed annually between the Board and Mr Graham, on the basis that they should be reasonable, realistic and achievable.

The Company has set key objectives across a range of operational functional areas including sustainability, HSEC, exploration, project development, operations, people and culture, finance, governance and corporate profile. KPIs for the financial year ended 30 June 2023 include, but are not limited to, the following:

- the overall financial performance of the Company;
- the achievement of key production, developmental and/or resource base milestones in relation to the Company's key projects;
- the execution of value-accretive initiatives and tactical actions consistent with the long-term strategic direction of the Company as agreed between the Board and Mr Graham; and
- key workplace health, safety, environmental and sustainability metrics.

Under the terms of the notice given by the Board to Mr Graham, the maximum annual incentive that Mr Graham is eligible to receive under the STI Plan is an amount equal to 50% of his annual base salary, which is currently \$540,500 (inclusive of superannuation). Accordingly, the maximum annual amount to which Mr Graham would currently be eligible to receive under the STI Plan is \$270,250 (inclusive of superannuation).

With respect to each relevant annual payment to which he becomes entitled under the STI Plan, Mr Graham may elect to receive the payment:

- (a) in cash only; or
- (b) in a combination of cash and Shares (provided that the relevant cash component must be no less than 50% of the total payment).

In each relevant year to which Mr Graham becomes entitled to a bonus under the STI Plan, the cash component of that bonus will be paid to him and the Share-based component will be issued no later than 15 August.

To the extent that Mr Graham elects to receive Shares, the number of Shares issued will be determined by dividing the amount of the payment Mr Graham elects to receive as Shares, by the deemed price per Share. The deemed price per Share will be the VWAP for the Company's Shares traded on ASX for the period 1 June until 31 July in the year to which the relevant payment relates.

Resolution 6 seeks Shareholder approval to the grant of Shares to Mr Graham pursuant to the STI Plan, subject to achievement of applicable KPIs and otherwise on the basis explained in Section 7.4 below. As the issue of Shares will occur under the STI Plan, Resolution 6 is conditional on Shareholder approval being received for the adoption of the STI Plan under Resolution 5.

7.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Resolution 6 relates to the proposed issue of Shares, which constitutes giving a financial benefit. Mr Graham is a Related Party of the Company by virtue of being a Director.

The Board (other than Mr Graham, to whom Resolution 6 relates) has considered the proposed grant of cash and non-cash benefits to Mr Graham pursuant to the STI Plan and has formed the view that the grant of such benefits falls within the “reasonable remuneration” exception to the requirement for Shareholder approval under section 211 of the Corporations Act, having regard to a number of factors including the guidance in *ASIC Regulatory Guide 76: Related Party Transactions*.

Accordingly, the Company is of the view that it is not required to seek Shareholder approval under Chapter 2E of the Corporations Act as regards Resolution 6.

7.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- (c) 10.14.1: a director of the entity;
- (d) 10.14.2: an associate of a director of the entity; or
- (e) 10.14.3: a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX’s opinion, the acquisition should be approved by security holders.

Mr Graham is the Managing Director and Chief Executive Officer of the Company. Accordingly, approval is required under Listing Rule 10.14.1 for Mr Graham to be issued with Shares under the STI Plan. Approval pursuant to Listing Rule 7.1 is not required in order to issue such Shares to Mr Graham, as approval is being obtained under Listing Rule 10.11. Accordingly, Shareholders should note that the potential issue of Shares to Mr Graham under the STI Plan will not be included in the 15% calculation imposed by Listing Rule 7.1.

Listing Rule 10.14 also provides that the notice of meeting to obtain the relevant approval must comply with Listing Rule 10.15, which specifies particular information to be provided in connection with the approval.

7.4 Technical information required by Listing Rule 14.1A

If Resolution 6 is passed, the Company will be able to proceed with the issue of the Shares the subject of Resolution 6 to Mr Graham under the STI Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules).

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Shares the subject of Resolution 6 to Mr Graham under the STI Plan and will subsequently need to use the Company’s funds to pay the required remuneration to Mr Graham.

7.5 Technical information provided in accordance with Listing Rule 10.15 as regards the Shares to be issued to Mr Graham under the STI Plan

For the purposes of Listing Rule 10.15, the following information is provided in connection with Resolution 6:

- (a) The Shares will be issued to Mr Luke Graham (or his nominee), who falls within the category set out in Listing Rule 10.14.1 by virtue of each being a Director.
- (b) The Shares will be fully paid ordinary shares in the capital of the Company and rank equally with the Company’s existing Shares.
- (c) The current total annual remuneration for Mr Graham is set out below:
 - Term of agreement – permanent basis commencing 19 September 2016.
 - Fixed Annual Remuneration of \$540,500 per annum (including superannuation), to be reviewed annually.
 - Short Term Incentive (STI) - performance to be assessed annually against a series of both financial and non-financial KPIs. The maximum annual amount payable under the Short Term Incentive is 50% of the Fixed Annual Remuneration. The STI will be paid in August each year in cash and/or performance rights.

- Long Term Incentive (LTI) - entitled to participate in the LTI Plan to be approved by Shareholders.
- (d) the formulae for calculating the maximum number of Shares to be issued to Mr Graham on an annual basis are as follows:
- (i) Part 1 – Calculation of total value of Shares
- $SV = BE - CV$**
- Where:**
- SV** is the maximum value of the Shares to be issued to Mr Graham;
- BE** is the value of the bonus entitlement determined by the Board; and
- CV** is the value of the minimum cash portion of the bonus entitlement determined by the Board;
- (ii) Part 2 – Calculation of total number of Shares
- $OS = SV/DSP$**
- Where:**
- OS** is the maximum number of Shares to be issued to Mr Graham, which is not to exceed 5,000,000 Shares per year. The maximum number of Shares to be issued to Mr Graham over the 3 year period of the Plan is not to exceed 15,000,000 Shares;
- SV** is the value referred to above; and
- DSP** is the deemed price per Share, which will be the VWAP for the Company's Shares traded on ASX for the period 1 June until 31 July in the year to which the relevant bonus payment under the STI Plan relates.
- (e) The issue price of the Shares will be nil and the deemed price per Share will be as set out in paragraph (d) above.
- (f) Subject to Shareholder approval of Resolution 6, the Shares to which Mr Graham may become entitled under the STI Plan will be issued to him by no later than the 15th of August in each relevant year. As Shares issued pursuant to an approval under Listing Rule 10.14 must be issued within 3 years after the date of the meeting at which such approval is obtained, no Shares are intended to be issued to Mr Graham (without additional approval by Shareholders) as regards the financial years following the financial year ending 30 June 2025.
- (g) Persons who have previously received securities under the STI Plan as at the date of this Notice include Mr Graham on 15 August 2018 (581,082 Shares @ \$0.142 each), 15 August 2019 (729,847 Shares @ \$0.1377 each), 15 August 2021 (411,932 Shares @ \$0.211 each) and 15 August 2022 (352,775 Shares @ \$0.3383 each). The past issues were for nil consideration and prices disclosed were deemed issue prices.
- (h) A summary of the material terms of the STI Plan is set out in Schedule 1.
- (i) No loan arrangements apply in relation to the acquisition.
- (j) Details of any securities issued under the STI Plan will be published in each annual report of the Company relating to the period in which the securities have been issued, and such annual report will state that approval for the issue of the securities was obtained under Listing Rule 10.14.
- (k) Any additional persons who become entitled to participate in the STI Plan after Resolution 6 is approved and who are not named in this Notice will not participate until Shareholder approval is obtained under Listing Rule 10.14.
- (l) A voting exclusion statement is included in the Notice for the purpose of Resolution 6.

Other than the information above and otherwise in this Explanatory Memorandum, the Company believes there is no other information that would be reasonably required by Shareholders to consider Resolution 6.

7.6 Directors' Recommendation

All the Directors (except Mr Graham, to whom the Resolution relates) recommend that Shareholders vote in favour of Resolution 6.

8. Resolution 7 – Approval to grant Performance Rights to Mr Luke Edward Graham under the Long Term Incentive Plan

8.1 Background

The Company has agreed, subject to obtaining Shareholder approval, to grant 2,396,542 Performance Rights (**PRs**) to Mr Graham (or his nominee) as a long term incentive in connection with his role as a Director.

A summary of the terms and conditions applicable to the PRs the subject of Resolution 7 is set out at Schedule 2.

8.2 Vesting criteria

The PRs under Resolution 7 are intended to be granted in one tranche and subject to particular performance conditions. Upon satisfaction of the relevant performance conditions, the PRs will vest, and Mr Graham will be issued with a corresponding number of Shares without being required to pay any monetary consideration.

The PRs will be offered to Mr Graham for no cash consideration. The PRs will only vest if the relevant performance conditions are met, as outlined in the table below and explained further in the text which immediately follows it:

Party	Total Shareholder Return performance measurement period (36 month period)	Maximum number of Performance Rights to vest	Issue price calculation period (2 month period)	Vesting date
Luke Edward Graham	1 July 2022 – 30 June 2025	For Category A: TSR performance – nil For Category B: TSR performance – 1,198,271 For Category C: TSR performance – 2,396,542	1 June 2025 – 31 July 2025	15 August 2025

Explanation of performance conditions

At the end of the performance measurement period, the Board will rank the Company's Total Shareholder Return (**TSR**), being the increase in the Company's Share price during that performance measurement period (as adjusted for any applicable share consolidation, share split and dividend payment, to the extent relevant to that period) against a peer group of other companies as determined by the Board. The percentage of PRs that will vest will depend upon the Company's TSR performance relative to the companies in the peer group. The Company's TSR performance will fall within Category A, B or C as set out below:

- Category A:** if the Company's TSR is at/or below the 50th percentile of the peer group of companies' TSR, no PRs will vest.
- Category B:** If the Company's TSR ranks above the 50th percentile of the peer group of companies' TSR, 50% of the PRs will vest .
- Category C:** For each 1% ranking at or above the 51st percentile of the peer group of companies' TSR, an additional 2% of the PRs will vest (up to a maximum of 100%, which will vest at or above the 75th percentile).

The Board will select the peer group of companies having regard to the following factors:

- they represent a reasonable cross section of resource companies with reasonably comparable market capitalisation, resource base and stage of development to that of the Company; and
- the group is primarily focused on developing industrial minerals projects.

The Board will also nominate an additional five suitable replacement companies ("**reserve group**"). Where a company in the peer group is delisted, merges or ceases in the Board's reasonable opinion to be suitable for comparative

purposes, it will, subject to the Board's discretion, be replaced by a company from the reserve group. The peer group and reserve group may be varied from time to time by the Board in its absolute discretion.

The Board will have an additional discretion in special circumstances, where it believes that the Company's TSR performance as calculated and categorised above in relation to a particular performance measurement period does not reflect the true achievement in generating Shareholder value and executing long-term strategies, to increase the number of PRs which are deemed to vest as at the relevant vesting date, provided that in no circumstances will more than 2,396,542 PRs be liable to vest.

8.3 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out at Section 7.2. The issue of the PRs constitutes giving a financial benefit. Mr Graham is a Related Party of the Company by virtue of being a Director.

The Company's pay and reward framework is designed to ensure reward structures are aligned with Shareholders' interest by being market competitive to attract and retain high calibre individuals, rewarding high individual performance, recognising the contribution of each key management personnel to the contributed growth and success of the Company and ensuring that long term incentives are linked to Shareholder value. The proposed issue of PRs the subject of Resolution 7 reflect the level of commitment to be provided by Mr Graham to the Company in assisting it to achieve certain specified performance objectives, taking into account the responsibilities of Mr Graham and the time commitment required from each of them. The PRs to be granted also reflect the value the Board believes Mr Graham brings to the Company and provides an appropriate and adequate incentive for Mr Graham to assist the Company in achieving performance milestones. The Board considers it is appropriate for part of the remuneration packages of Mr Graham to comprise non-cash, incentive-based remuneration.

The Board (other than Mr Graham, to whom Resolution 7 relates) has considered the proposed grant of PRs to Mr Graham pursuant to the LTI Plan and has formed the view that the grant of such benefits falls within the "reasonable remuneration" exception to the requirement for Shareholder approval under section 211 of the Corporations Act, having regard to a number of factors including the guidance in *ASIC Regulatory Guide 76: Related Party Transactions*.

Accordingly, the Company is of the view that it is not required to seek Shareholder approval under Chapter 2E of the Corporations Act as regards Resolution 7.

8.4 Listing Rule 10.14

A summary of Listing Rule 10.14 is set out in Section 7.3 above. Mr Graham is the Managing Director and Chief Executive Officer of the Company. Accordingly, approval is required under Listing Rule 10.14.1 for Mr Graham to be issued with PRs under the LTI Plan. Approval pursuant to Listing Rule 7.1 is not required in order to issue such PRs to Mr Graham, as approval is being obtained under Listing Rule 10.11. Accordingly, Shareholders should note that the potential issue of PRs to Mr Graham under the LTI Plan will not be included in the 15% calculation imposed by Listing Rule 7.1.

Listing Rule 10.14 also provides that the notice of meeting to obtain the relevant approval must comply with Listing Rule 10.15, which specifies particular information to be provided in connection with the approval.

8.5 Technical information required by Listing Rule 14.1A

If Resolution 7 is passed, the Company will be able to proceed with the issue of the PRs the subject of Resolution 7 to Mr Graham under the LTI Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules).

If Resolution 7 is not passed, the Company will not be able to proceed with the issue of the PRs the subject of Resolution 7 to Mr Graham under the LTI Plan and will subsequently need to use the Company's funds to pay the required remuneration to Mr Graham.

8.6 Technical information provided in accordance with Listing Rule 10.15 as regards the Performance Rights to be granted to Mr Graham under the LTI Plan

For the purposes of Listing Rule 10.15, the following information is provided in connection with Resolution 7:

- (g) Persons who have previously received PRs under the LTI Plan as at the date of this Notice include Mr Graham on 30 November 2018 (2,666,667 PRs), 5 December 2019 (3,100,775 PRs), 10 November 2020 (1,751,313 PRs) and 9 December 2021 (2,379,261). The PRs were issued for nil consideration.
- (h) A summary of the material terms of the LTI Plan is set out in Schedule 3.
- (i) The Company has chosen to issue the PRs the subject of Resolution 7 to Mr Graham to focus on the long term outcomes of the Company and to align the interests of Mr Graham with that of Shareholders.
- (j) Based on a binominal pricing model (as calculated by the Company), the value of the PRs to be issued under Resolution 7 is set out below.

Related Party	Number of PRs to be issued	Value of PRs
Luke Graham (Resolution 7)	2,396,542	\$886,721

The binominal pricing model used by the Company had the following assumptions:

- Valuation Date: 14 October 2022
- Market Price of Shares: \$0.415
- Exercise Price: Nil
- Expiry Date: 3 Years
- Volatility: 70%
- Dividend Yield: Nil
- PR Indicative Value: \$0.37

- (k) No loan arrangements apply in relation to the acquisition.
- (l) Details of any securities issued under the LTI Plan will be published in each annual report of the Company relating to the period in which the securities have been issued, and such annual report will state that approval for the issue of the securities was obtained under Listing Rule 10.14.
- (m) Any additional persons who become entitled to participate in the LTI Plan after Resolution 7 is approved and who are not named in this Notice will not participate until Shareholder approval is obtained under Listing Rule 10.14.
- (n) A voting exclusion statement is included in the Notice for the purpose of Resolution 7.

Other than the information above and otherwise in this Explanatory Memorandum, the Company believes there is no other information that would be reasonably required by Shareholders to consider Resolution 7.

8.7 Directors' Recommendation

All the Directors (except Mr Graham, to whom the Resolution relates) recommend that Shareholders vote in favour of Resolution 7.

9. Resolution 8 – Amendments to Constitution

9.1 Background

Resolution 8 relates to proposed amendments to the Constitution.

Under section 136(2) of the Corporations Act, a company can modify or repeal its constitution or a provision of its constitution by special resolution of shareholders. Accordingly, the Company seeks Shareholder approval to amend

its Constitution by special resolution as set out below. A special resolution requires the approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

If Resolution 8 is passed, the Company will adopt the modified Constitution with effect from the date this Resolution is passed. The purpose of the amendments are set out below.

9.2 Amendments to allow for Virtual Meetings

The current version of the Constitution contemplates the Company holding general meetings of Shareholders at two or more locations linked together by technology as a 'hybrid' meeting (i.e., to allow some attendees to attend the meeting in-person and for others to participate online using technology). However, wholly 'virtual' meetings are not contemplated by the current version of the Constitution.

In April 2022, the Corporations Act was amended to allow companies to hold general meetings using virtual meeting technology only, if expressly permitted by the company's constitution.

The Company proposes to amend the Constitution to provide for the ability for the Company to be able to hold general meetings using virtual technology only (in addition to holding meetings physically or as a hybrid meeting). This additional flexibility will allow the Company to hold meetings of Shareholders as considered appropriate and to hold meetings of Shareholders virtually where considered necessary to do so – for example in the event of further restrictions caused by a pandemic.

9.3 Amended Constitution

A summary of the proposed amendments to the Constitution are set out in Schedule 4. A full copy of the Constitution is available on the Company's website and can also be inspected during normal business hours by Shareholders at the offices of the Company. If this Resolution 8 is passed, the amended Constitution will be available on ASX.

9.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8.
