

STRANDLINE STRENGTHENS EXECUTIVE TEAM

Appointments come as Strandline prepares for next chapter of growth, with production ramping up at Coburn mineral sands project and construction of mineral separation plant progressing

HIGHLIGHTS

- **Former BGC Executive Director, Belinda Murray, appointed Head of Commercial and Strategic Developments**
- **Former Iluka and FFI senior manager, Jamie Cann appointed General Counsel, Head of Risk and Compliance and Joint Company Secretary**
- **Appointments further strengthen Strandline's executive team as it continues to ramp-up Coburn operations and advance its portfolio of growth projects and options**

Strandline Resources (ASX: STA) is pleased to advise it has strengthened its executive capacity with two key appointments.

The appointments come as Strandline focuses on ramping-up operations and completing remaining construction activities at its 100%-owned Coburn mineral sands project in Western Australia, while in parallel preparing to accelerate its growth options.

Belinda Murray, Head of Commercial and Strategic Developments. Ms Murray has spent the past 12 years with BGC Group in various roles including General Counsel, Company Secretary and Executive Director of BGC Group companies. As Executive Director of BGC Contracting, she played an integral role in overseeing the Company's growth while ensuring that key risks were managed appropriately. Ms Murray also held a broad range of other executive responsibilities including safety, people, culture and sustainability. She will focus on leading Strandline's in-house strategic developments, commercial, contracts and procurement functions and sustainability initiatives.

Jamie Cann, General Counsel. With over 25 years as a corporate lawyer, in-house legal counsel and commercial manager, Mr Cann joins as General Counsel, Head of Risk and Compliance and joint Company Secretary along with CFO Flavio Garofalo. He brings a wealth of international experience in resources and mineral sands, having been Legal Manager with Iluka Resources for nine years and most recently with Fortescue Future Industries in various roles including Head of Global Governance and Compliance and as part of the International Operations team working across multiple countries in Africa and the Middle East.

Strandline Managing Director Luke Graham said: "We are delighted that Belinda and Jamie are joining our executive team. Their knowledge and specialist hands-on experience in commercial, legal, governance, business strategy and sustainability matters will complement our existing team and help the Company to continue to transition smoothly into operations at Coburn, as well as pursuing further our strategic growth opportunities both in Australia and overseas".

This announcement is authorised for release by the Strandline Resources Board of Directors.

ABOUT STRANDLINE

Strandline Resources Limited (**ASX: STA**) is an emerging producer of heavy mineral sands with a portfolio of 100%-owned development assets located in Western Australia and within the world's major zircon and titanium producing corridor in East Africa.

Strandline's strategy is to develop and operate high margin, expandable mining assets with market differentiation and global relevance in the sector.

Strandline's project portfolio contains high quality assets which offer a range of development options and timelines, geographic diversity and scalability. They include the world-scale Coburn Project in WA, currently nearing construction completion, and the exciting Tanzanian growth projects Fungoni and Tajiri.
