## WILLIAM BLOKING TO RETIRE FROM STRANDLINE BOARD

Strandline Resources Limited (ASX: STA) ("Strandline" or "Company") today announced that Mr William (Bill) Bloking has stepped down from his position as a Non-Executive Director with the Company to enable him to spend more time with his family in the USA.

This comes after an important period of transition for the Company to an international mineral sands exploration company in combination with its domestic mineral sands and base metal operations.

"I would like to take this opportunity on behalf of the Board to thank Bill for his significant contribution to the Company over a number of years including his key role in the successful transformation of the company over recent months," said Strandline's Chairman, Mr Mike Folwell.

"Bill held roles of Managing Director and Non-Executive Director during his time with the Company.

"Bill played a key role in the successful acquisition of Strandline Resources in 2014 which delivered a dominant mineral sands exploration position in Tanzania. We wish Bill all the best for the future," he said.
