4. Resolution 1 – Adoption of the Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

4.2 Additional information

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Re-election of Director – Luke Reinehr

5.1 General

Clause 14.2 of the Constitution and Listing Rule 14.4 both provide that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment or three years, whichever is longer.

Clause 14.2 of the Constitution provides that a Director who retires by rotation is eligible for re-election.

Mr Luke Reinehr, Executive Chairman, was last elected at the Company's 2022 annual general meeting. Accordingly, Mr Reinehr retires at this Meeting and being eligible and having consented to act, seeks re-election pursuant to this Resolution 2.

If Resolution 2 is passed, Mr Reinehr will be re-elected as a Director of the Company with effect from the conclusion of the Meeting.

If Resolution 2 is not passed, Mr Reinehr will not be re-elected as a Director of the Company.

5.2 Luke Reinehr

Mr Reinehr is a co-founder of Kalamazoo Resources Ltd (Kalamazoo) and was the Company's managing director from January 2013 until 31 July 2016. Mr Reinehr was primarily responsible for driving Kalamazoo's early growth and path towards an initial public offer. Mr Reinehr has been the Executive Chairman of Kalamazoo since 1 August 2016 and was appointed as Chief Executive Officer (CEO) in July 2019. Mr Reinehr's core legal experience complements mining and resources, project development and information technology skills. Working across all levels of management, Mr Reinehr has extensive partnership, director, CEO and chairman experience with companies in Australia and internationally. Mr Reinehr holds a Bachelor of Law and a Bachelor of Arts degree from the University of Melbourne and Monash University respectively.

Mr Reinehr is currently Non-Executive Director of Kali Metals Limited (ASX: KM1), and otherwise does not hold any other material directorships.

If re-elected, Mr Reinehr is not considered by the Board (with Mr Reinehr abstaining) to be an independent Director, because he is engaged by the Company in an executive capacity.

Mr Reinehr has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 Board recommendation

The Board (other than Mr Reinehr who has a personal interest in the outcome of this Resolution) supports the re-election of Mr Reinehr and recommends that Shareholders vote in favour of this Resolution. The Board considers that Mr Reinehr's extensive legal and directorship experience bring valuable skills to Board that complement the Board's existing skills and experience.

5.4 **Additional information**

Resolution 2 is an ordinary resolution.

6. Resolution 3 - Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). D = is 10%.

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of convertible securities only if those convertible securities are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price (\$0.16), being the closing price of the Shares on ASX on 29 September 2025, being the latest practicable date before this Notice was signed.
 - (b) Variable A comprises of 241,615,739 existing Shares on issue as at the date of this Notice, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) Allocation policy

The recipients of the Equity Securities to be issued under the 10% Placement Facility have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Facility, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) financial situation and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under the 10% Placement Facility

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its 2024 annual general meeting held on 22 November 2024.

Since that date, the Company has issued Equity Securities under Listing Rule 7.1A2 in the 12 months preceding the date of this Annual General Meeting. Pursuant to and in accordance with Listing Rule 7.3A.6, the following information is provided:

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in such an issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposed to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 **Additional information**

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

7. **Resolution 4 – Approval of Employee Securities Incentive Plan**

7.1 **General**

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 4 seeks Shareholder approval for the re-approval of the employee incentive scheme titled “Kalamazoo Resources Limited Employee Securities Incentive Plan” (**Plan**) and for the issue of up to a maximum of 25,000,000 Equity Securities in accordance with Listing Rule 7.2 (Exception 13(b)).

Shareholders previously approved the issue of Equity Securities under the Plan as an exception to ASX Listing Rule 7.1 at the Company’s 2022 annual general meeting (**Previous Approval**). Listing Rule 7.2 exception 13(b) provides that this approval lasts for a period of three years. The Previous Approval is due to expire on 18 November 2025 and re-approval is therefore sought for the Plan by Shareholders at this Meeting. No amendments are proposed to be made to the terms of the Plan as originally adopted on 18 November 2022.

7.2 **Listing Rules 7.1 and 7.2, exception 13(b)**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue up to a maximum of 25,000,000 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company’s 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX’s opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 4 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the Company’s placement capacity under Listing Rule 7.1.

7.3 **Specific information required by Listing Rule 7.2, exception 13(b)**

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to Resolution 4:

- (a) A summary of the key terms and conditions of the Plan is set out in Schedule 2;
- (b) Since the Plan was last adopted, as at the date of this Notice, the following Equity Securities that have been issued under the Plan:
 - (i) 12,600,000 Options issued on 21 November 2022 to Directors and employees of the Company (of which 1,600,000 Options were subsequently cancelled as a result of the cessation of employment of certain employees); and
 - (ii) 1,950,000 Options issued on 14 May 2024 to key management personnel and employees of the Company.
- (c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 4 is 25,000,000.
- (d) A voting exclusion statement is included in the Notice.

7.4 **Additional information**

Resolution 4 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 4 due to the Directors' personal interests in the outcome of the Resolution.

8. **Resolution 5 – Increase in Total Aggregate Remuneration for Non-Executive Directors**

8.1 **General**

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of Directors' fees payable to all of its non-executive directors without the approval of its Shareholders. Clause 14.8 of the Constitution also requires that remuneration payable to the non-executive Directors will not exceed the sum determined by the Company in a general meeting from time to time, and the total aggregate fixed sum will be divided between the non-executive Directors as the Directors shall determine and, in default of agreement between them, then in equal shares.

The maximum aggregate amount of fees payable to all of the non-executive Directors is currently set at \$250,000. Resolution 5 seeks the approval of Shareholders pursuant to Listing Rule 10.17 and clause 14.8 of the Constitution to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to \$400,000 (**Proposed Limit**).

If Resolution 5 is passed, the Company will be able to proceed to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to the Proposed Limit.

If Resolution 5 is not passed, the Company will not be able to proceed to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to the Proposed Limit and the Company may need to revise its current remuneration structure payable to its non-executive Directors which may include considering the issue of Equity Securities to non-executive Directors in lieu of cash fees, subject to Shareholder approval.

8.2 Proposed Increase and Rationale

The current fee pool of \$250,000 per annum was last approved by shareholders as part of the Company's initial public offer (**IPO**). This amount has remained unchanged since listing.

Since the IPO, the demands and responsibilities placed on non-executive directors have significantly increased due to various factors including:

- (a) enhanced corporate governance expectations;
- (b) increased regulatory compliance obligations;
- (c) the growth and complexity of the Company's operations; and
- (d) additional time commitments associated with Board and committee duties.

The Board is proposing to increase the aggregate fee pool by \$150,000, resulting in a new cap of \$400,000 per annum. This proposed increase is designed to:

- (a) accommodate potential future growth in Board size or committee workload;
- (b) maintain the Company's ability to attract and retain appropriately qualified and experienced non-executive directors;
- (c) reflect increased responsibilities and time commitments required of directors in the current governance and regulatory environment; and
- (d) ensure alignment with market benchmarking against comparable ASX-listed companies.

This increase reflects the Company's current size, structure, governance workload, and benchmarking against comparable ASX-listed entities.

It is important to note that the proposed increase to the fee pool:

- (a) does not imply any immediate change to individual director fees;
- (b) provides flexibility for future appointments or changes to Board or committee responsibilities; and
- (c) will be managed at the discretion of the Board, in accordance with the Company's Constitution and governance framework.

Note: Executive directors do not receive fees from the non-executive director fee pool.

8.3 Specific information required by Listing Rule 10.17

Pursuant to and in accordance with Listing Rule 10.17, the following information is provided in relation to the proposed increase to the aggregate amount payable to non-executive Directors:

- (a) The Company is proposing to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors by \$150,000.
- (b) The maximum aggregate amount per annum to be paid to all non-executive Directors is \$400,000 and includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine 'special exertion' fees paid in accordance with the Constitution, or

Equity Securities issued to a non-executive Director under Listing Rules 10.11 or 10.14 with Shareholder approval.

- (c) In the past three years, the Company has issued Equity Securities to the current Non-Executive Directors (or their respective nominees) as follows:

Non-Executive Director	Shareholder approval	Equity Securities	Number of Securities	Date of issue
Paul Adams	Listing Rule 10.11	Shares	1,666,668	26 September 2025
	Listing Rule 10.11	Options	833,334	26 September 2025
	Listing Rule 10.11	Options	1,500,000	28 November 2024
	Listing Rule 10.14	Options	1,750,000	21 November 2022
Angus Middleton	Listing Rule 10.11	Shares	2,222,224	26 September 2025
	Listing Rule 10.11	Options	1,111,112	26 September 2025
	Listing Rule 10.11	Options	1,500,000	28 November 2024
	Listing Rule 10.14	Options	1,500,000	21 November 2022

8.4 Additional information

Resolution 5 is an ordinary resolution.

Luke Reinehr, being the only Director without a personal interest in the outcome of this Resolution, recommends that Shareholders vote in favour of Resolution 5.

9. Resolution 6 – Approval of Issue of Director Performance Rights

9.1 General

The Company has agreed, subject to obtaining shareholder approval, to issue of up to 8,000,000 Performance Rights (**Director Performance Rights**) to the Directors, or their respective nominees, in the following proportions:

Director	Director Performance Rights			TOTAL
	Class A	Class B	Class C	
Luke Reinehr	800,000	1,600,000	1,600,000	4,000,000
Paul Adams	400,000	800,000	800,000	2,000,000
Angus Middleton	400,000	800,000	800,000	2,000,000
TOTAL	1,600,000	3,200,000	3,200,000	8,000,000

The Director Performance Rights are to be issued on the terms and conditions in Schedule 2.

The Board believes that the issue of these Director Performance Rights will align the interests of the Directors with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

Resolution 6(a) to (c) (inclusive) seeks Shareholder approval pursuant to Listing Rule 10.11 and sections 208 and 195(4) of the Corporations Act for the issue up to 8,000,000 Director Performance Rights to the Directors (or their respective nominees).

9.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to any of the following persons without the approval of its Shareholders:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5).

The proposed issues of Director Performance Rights to the Directors (or their respective nominees) falls within Listing Rule 10.11.1 and it is the view of the Board that the exceptions in Listing Rule 10.12 do not apply in the current circumstances. The issue of the Director Performance Rights therefore requires the approval of Shareholders under Listing Rule 10.11.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Performance Rights as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of the Director Performance Rights to the Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

The effect of Shareholders passing Resolution 6(a) to (c) (inclusive) will be to allow the Company to issue the Director Performance Rights to the Directors (or their respective nominees) in the proportions set out in Section 9.1 above.

If Resolution 6(a) to (c) (inclusive) are not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to the Directors (or their respective nominees) and the Company may need to consider other forms of incentive remuneration, including by the payment of cash.

Resolution 6(a) to (c) (inclusive) are not conditional on each other, and Shareholders may approve one or all of those Resolutions (in which case, the Director Performance Rights the

subject of the relevant Resolution(s) will be issued), even though Shareholders have not approved all of these Resolutions.

9.3 **Specific information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of the Director Performance Rights:

- (a) The Director Performance Rights will be issued to Directors Luke Reinehr, Paul Adams and Angus Middleton or their respective nominees.
- (b) Each of the Directors are a related party of the Company by virtue of being a Director of the Company and fall into the category stipulated by Listing Rule 10.11.1. In the event the Director Performance Rights are issued to a nominee of a Director, that nominee will fall into the category stipulated by Listing Rule 10.11.4.
- (c) The maximum number of Director Performance Rights to be issued to the Directors (or their respective nominees) is 8,000,000, in the proportions set out in Section 9.1 above.
- (d) The Director Performance Rights will be issued on the terms and conditions set out in Schedule 3.
- (e) The Director Performance Rights will be issued to the Directors (or their respective nominees) as soon as practicable following the Meeting and in any event no later than one month after the Meeting.
- (f) The Director Performance Rights will be issued for nil cash consideration and will be provided as an incentive component to the Directors' respective remuneration packages. Accordingly, no funds will be raised via the issue of the Director Performance Rights.
- (g) The current total annual remuneration package for each of the Directors as at the date of this Notice is set out in the table below:

Director	Luke Reinehr (Executive Chairman)	Paul Adams (Non-Executive Director)	Angus Middleton (Non-Executive Director)
Salary and fees	\$328,891	\$61,715	\$53,520
Bonus	Nil	Nil	Nil
Non-monetary benefit	Nil	Nil	Nil
Superannuation	Nil	Nil	Nil
Share-based payments ¹	\$64,010	\$32,005	\$32,005
Total	\$392,901	\$93,720	\$85,525

Notes:

1. These figures do not include the proposed issue of the Director Performance Rights, the subject of Resolution 6(a) to (c) (inclusive).
 2. Since mid-2020, including the 2024 financial year, Mr Adams served as an Executive Director of the Company until his transition to the role of Non-Executive Director effective 1 July 2024.
- (h) There are no other material terms to the proposed issue of the Director Performance Rights.
- (i) A voting exclusion statement is included in the Notice.

9.4 Section 195 of the Corporations Act

Section 195(1) of the Corporations Act prohibits the director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors have a personal interest in the outcome of each of their respective Resolutions under Resolution 6(a) to (c) (inclusive) and have exercised their right under section 195(4) of the Corporations Act to put the issue of the Director Performance Rights to the Directors to Shareholders to resolve upon.

9.5 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Director Performance Rights constitutes giving a financial benefit to related parties of the Company.

Given the personal interests of all the Directors in the outcome of Resolution 6(a) to (c) (inclusive), the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Performance Rights.

9.6 Information required by Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Performance Rights:

- (a) **Identity of the related parties to whom Resolution 6(a), (b) and (c) permit financial benefits to be given**

Refer to Section 9.3(a) above.

- (b) **Nature of the financial benefit**

Resolution 6(a) to (c) (inclusive) seek Shareholder approval to allow the Company to issue the Director Performance Rights in the amounts specified in Section 9.1 to the Directors (or their respective nominees).

The Director Performance Rights are to be issued in accordance with the terms and conditions set out in Schedule 3.

The Shares to be issued upon conversion of the Director Performance Rights will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

- (c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of Resolution 6(a) to (c) (inclusive) the Board declines to make a recommendation to Shareholders in relation to Resolution 6(a) to (c) (inclusive).

- (d) **Valuation of financial benefit**

Refer to Schedule 4 below.

- (e) **Remuneration of Directors**

Refer to Section 9.3(g) above.

(f) **Existing relevant interests of Directors**

At the date of this Notice, the Directors hold the following relevant interests in Equity Securities of the Company.

Director	Shares	Options	Performance Rights
Luke Reinehr	6,417,358	8,055,556	1,000,000
Paul Adams	3,041,668	4,083,334	500,000
Angus Middleton	7,014,129	4,111,112	375,000

Assuming that Resolution 6(a) to (c) (inclusive) is approved by Shareholders, all of the Director Performance Rights are issued, vest, and are converted into Shares, and no other Equity Securities are issued or converted, the interests of the Directors in the Company would (based on the Share capital as at the date of this Notice) represent:

Director	Shares	Options	Performance Rights
Luke Reinehr	10,417,358	8,055,556	1,000,000
Paul Adams	5,041,668	4,083,334	500,000
Angus Middleton	9,014,129	4,111,112	375,000

(g) **Dilution**

The issue of the Director Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Performance Rights are converted to Shares. The potential dilution if all of the Director Performance Rights vest and are exercised into Shares is approximately 3.20%. This figure assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on conversion of the Director Performance Rights.

The conversion of all of the Director Performance Rights will result in a total dilution of all other Shareholders' holdings of approximately 2.79% on a fully diluted basis (assuming that all Options and Performance Rights, including the Director Performance Rights, are converted into Shares). The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.16 per Share on 29 September 2025

Lowest: \$0.068 per Share on 7 March 2025

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.16 per Share on 29 September 2025.

(i) **Corporate governance**

Mr Luke Reinehr is the Executive Chairman of the Company and therefore the Board (other than Mr Reinehr) believes that the grant of the Director Performance Rights to Mr Reinehr, is in line with Recommendation 8.2 of the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Board acknowledges that the grant of the Director Performance Rights to Messrs Paul Adams and Angus Middleton who are each Non-Executive Directors of the Company, is contrary to the guidelines in Box 8.2 of the Recommendations, which provides that non-executive directors should not receive performance-based remuneration as it may lead to bias in their decision-making and compromise their objectivity. However, the Board (other than Messrs Adams and Middleton) considers it reasonable in the circumstances to offer the Director Performance Rights to Messrs Adams and Middleton for the reasons provided in Section 9.1 above.

(j) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Performance Rights (including fringe benefits tax).

(k) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6(a) to (c) (inclusive).

9.7 **Additional information**

Resolution 6(a) to (c) (inclusive) are **separate** ordinary resolutions.

Schedule 2 Summary of Material Terms of Plan

The following is a summary of the material terms and conditions of the Plan:

1. **(Eligible Participant):** A person is eligible to participate in the Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A of the Corporations Act) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:

- (a) an employee or director of the Company or an individual who provides services to the Company;
- (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
- (c) a prospective person to whom paragraphs (a) or (b) apply;
- (d) a person prescribed by the relevant regulations for such purposes; or
- (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. **(Maximum allocation):**

- (a) The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
 - (i) the total number of Plan Shares (as defined in paragraph 13 below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

would exceed 10% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.

3. **(Purpose):** The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

4. **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (Participant) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

7. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

9. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

10. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the

Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

11. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
13. **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank *pari passu* in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
14. **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
15. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

16. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

17. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

18. **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension just not prejudice the accrued rights of the Participants.
