EXPIRY OF PERFORMANCE RIGHTS

Strandline Resources Limited (ASX: STA) advises that 4,782,000 unlisted performance rights expired on 31 December 2016.

About Strandline

Strandline Resources Limited (ASX: STA) is a Tanzanian-focused mineral sands developer positioned within the world's major zircon and titanium producing corridor in South East Africa. Strandline has a dominant mineral sands position with a series of 100% owned projects spread along 350km of the 850km Tanzanian coastline.

Following the recent placement and Rights issued cornerstoned by Tembo Capital, the Company is financially robust and as at 30 September had A\$4.4 million in the bank. This position underwrites an aggressive exploration and development strategy to progress quality "low cost" projects based on high value titanium and zircon products.
