AGENDA

Receipt of Financial Statements and Reports

To receive the annual financial statements of the Company and the report of the Directors and of the Auditor for the financial year ended 31 December 2025.

There is no requirement for Securityholders to approve the financial statements or reports.

1 Resolution 1 – Re-election of Class III Director – Lawrence Gozlan

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution** by the affirmative vote of a majority of the votes cast:

“That Lawrence Gozlan, being eligible, offers himself for election, be elected a Director to hold office until the 2029 annual meeting of Stockholders.”

Under ASX Listing Rule 14.2.1, a proxy card must, in respect of each resolution, provide for the Securityholder to vote for the resolution, to vote against the resolution, or to abstain from voting on the resolution. In accordance with the provisions of Delaware General Corporation Law, the Bylaws of the Company provide that directors shall be elected to the Board of Directors by a plurality of the votes cast (i.e., the person(s) elected will be those with the most affirmative votes received among votes properly cast at the Annual General Meeting or by proxy). To enable this, ASX has granted the Company a waiver from ASX Listing Rule 14.2.1 to permit the Company not to provide in its proxy form for CDI Holders an option to vote against a resolution to elect a director, on the following conditions:

- (a) the Company complies with the relevant Delaware laws as to the content of the proxy forms applicable to resolutions for the elections of directors,*
- (b) the notice given by the Company to CDI Holders under ASX Settlement Operating Rule 13.8.9 makes it clear that holders are only able to vote for the resolutions or abstain from voting, and the reasons why this is the case,*
- (c) the Company releases details of the waiver to the market as part of the pre-quotation disclosure, and the terms of the waiver are set out in the management proxy circular provided to all holders of CDIs, and*
- (d) without limiting ASX's right to vary to its decision under ASX Listing Rule 18.3, the waiver from Listing Rule 14.2.1 only applies for so long as the relevant Delaware laws prevent the Company from permitting stockholders to vote against a resolution to elect a director.*

2 Resolution 2 – Ratification of the Company's accounting firm

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution** by the affirmative vote of a majority of the votes cast:

“To ratify selection by the Audit and Risk Management Committee of the Board of Directors of RSM Australia Pty Limited as independent registered public accounting firm of the Company for its fiscal year ending 31 December 2026.”

3 Resolution 3 – Approval of the issue of Awards under the 2023 Equity Incentive Plan

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution** by the affirmative vote of a majority of the votes cast, subject to the voting exclusion statement below:

“That, for the purpose of Listing Rule 7.2 Exception 13(b) and all other purposes, Stockholders approve the issue of Awards under the 2023 Equity Incentive Plan on the terms and conditions set out in the Explanatory Memorandum.”

Voting exclusion statement: The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- (a) a person who is eligible to participate in the 2023 Equity Incentive Plan; or
- (b) an Associate of those persons.

However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

4 Resolution 4 – Approval of additional 10% placement capacity

To consider and, if thought fit, to pass the following resolution as a **special resolution** by the affirmative vote of at least 75% of the votes cast:

“That, for the purpose of Listing Rule 7.1A and all other purposes, Stockholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with Listing Rule 7.1A.2 and on the terms and conditions set out in the Explanatory Memorandum.”

No voting exclusion statement is included for this Resolution because the Company is not proposing any issue of Equity Securities under Listing Rule 7.1A as at the date of this Notice.

OTHER BUSINESS

To transact such other business as may be properly presented at the Meeting.

Details of the definitions and abbreviations used in this Notice are set out in the Glossary to the Explanatory Memorandum.

Who is entitled to vote at the Meeting?

If you are a Stockholder at the Record Date, you may vote your Common Stock at the Meeting.

Each holder of Common Stock has one vote for each Common Stock held at the Record Date.

Each CDI Holder is entitled to direct CDN to vote one Common Stock for every CDI held by the CDI Holder.

What is the difference between a Stockholder of Record and a Street Name Holder?

If you own Common Stock registered directly in your name with the Company's registry, Equiniti, you are considered the Stockholder of Record with respect to those shares of Common Stock. As a Stockholder of Record, you have the right to grant your voting proxy directly to the Company or to vote virtually at the Meeting.

If your shares of Common Stock are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the Stockholder of Record with respect to those shares of Common Stock, while you are considered the beneficial owner of those Common Stock. In that case, your shares of Common Stock are said to be held in "street name" and this Notice was forwarded to you by that organisation. Street Name Holders generally cannot vote their shares of Common Stock directly and must instead instruct the broker, bank, trust or other nominee how to vote their Common Stock using the method described below under the heading '*How do I vote my Common Stock?*'. Since a Street Name Holder is not the Stockholder of Record, you may not vote your Common Stock virtually at the Meeting unless you obtain a "legal proxy" from the broker, bank, trustee, or nominee that holds your Common Stock giving you the right to vote the Common Stock at the meeting.

CDN is the Stockholder of Record for all shares of Common Stock beneficially owned by CDI Holders. CDI Holders are entitled to receive notice of and to attend the Meeting virtually and may direct CDN to vote at the Meeting by using the method described below under the heading '*How do I vote my CDIs?*'.

Participating and voting virtually

Stockholders and CDI Holders attending the Meeting virtually will be able to ask questions. The Company has made provision for Stockholders who register their attendance before the start of the Meeting to also electronically cast their votes on the proposed resolutions at the Meeting.

Stockholders can vote by following the instructions set out in the virtual meeting guide to be published on the ASX and the Company's website prior to the Meeting.

Stockholders will be able to vote, and Stockholders and CDI Holders will be able to ask questions at the virtual meeting. You are strongly encouraged to submit questions to the Company prior to the Meeting (see instructions below).

Questions at the Meeting

Please note, only Securityholders may ask questions once they have been verified. It may not be possible to respond to all questions. Securityholders are encouraged to submit questions prior to the Meeting (please see below).

Submission of written questions to the Company or the Auditor in advance of the Meeting

Securityholders may submit a written question to the Company in advance of the Meeting by using the voting link (if you have received this Notice via email) or by completing and returning the Question Form (if you have received this Notice by mail).

The Company asks that all pre-Meeting questions be received by the Company no later than one week before the date of the Meeting, being 9:00am (AEST) on Thursday, 16 April 2026 (7:00pm (U.S. Eastern Daylight Time) on Wednesday, 15 April 2026).

The Company's Auditor will also be available to answer any questions from Securityholders at the Meeting.

How do I vote my Common Stock?

If you are a Stockholder of Record, there are two ways you can vote at the Meeting:

- (1) by completing, signing and returning the Proxy Form in accordance with its instructions; or
- (2) virtually by following the instructions set out in the virtual meeting guide to be published on the ASX and the Company's website prior to the Meeting.

Valid proxies must be received by no later than being 9:00am (AEST) on Tuesday, 21 April 2026 (7:00pm (U.S. Eastern Daylight Time) on Monday, 20 April 2026).

If you hold your Common Stock as a Street Name Holder, you must vote your Common Stock in the manner prescribed by your broker, bank, trust or other nominee, which is similar to the voting procedures for Stockholders of Record. You will receive a voting instruction form to use in directing the broker, bank, trust or other nominee how to vote your Common Stock.

Please note that if you transmute your Common Stock to CDIs following the Record Date, given you held Common Stock at the Record Date, you will be entitled to vote as a Stockholder at the Meeting.

Rights of CDI Holders

CDI Holders are entitled to receive this Notice and to attend the Meeting virtually or any adjournment or postponement of the Meeting but are not entitled to vote virtually at the Meeting. Ahead of the Meeting, CDI Holders may vote as set out below under the heading '*How do I vote my CDIs?*'. Each CDI represents one share of Common Stock and therefore, each CDI Holder will be entitled to direct one vote for every CDI they hold.

How do I vote my CDIs?

If you are a CDI Holder on the Record Date, there are two ways you can vote at the Meeting:

- (1) instruct CDN (as the Stockholder of Record) to vote the Common Stock underlying your CDIs pursuant to your instructions in the CDI Voting Instruction Form; or
- (2) inform the Company and CDN that you wish to nominate yourself or another person to be appointed as CDN's proxy with respect to the Common Stock underlying your CDIs for the purposes of attending and voting virtually at the Meeting by completing the CDI Voting Instruction Form.

Valid completed CDI Voting Instruction Forms must be received by no later than being 9:00am (AEST) on Monday, 20 April 2026 (7:00pm (U.S. Eastern Daylight Time) on Sunday, 19 April 2026).

Please note that if you transmute your CDIs to Common Stock following the Record Date, you will need to instruct CDN (as Stockholder at the Record Date) to vote your CDIs and given you did not hold Common Stock as at the Record Date, you will not be entitled to vote at the Meeting.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, it means that you hold Common Stock and/or CDIs registered in more than one account. To ensure that all of your Common Stock and/or CDIs are voted, please submit proxies and/or voting instructions (as applicable) for all of your Common Stock and/or CDIs.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Securityholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

Financial Statements and Reports

Under the Corporations Act, an Australian company listed on the ASX is required in each calendar year to lay its audited financial statements before its shareholders at an annual general meeting. The Corporations Act does not require a vote of shareholders on the reports or statements. However, shareholders are given opportunity to raise questions or comments in relation to the management of the Company at an annual general meeting.

Enlitic, being a company incorporated in Delaware, United States is not required to meet the Corporations Act requirements to lay before the Meeting its audited annual financial report and other related reports. The Board of the Company has however decided to lay before the Meeting the Company's audited financial statements and the reports for the financial year ended 31 December 2025 as a matter of good corporate governance.

The Company's audited financial statements and the reports for the financial year ended 31 December 2025 are contained in the Company's 2025 Annual Report which is available on the Company's website at: <https://ir.enlitic.com/>.

Any Stockholder or CDI Holder who would like to receive a hard copy of the 2025 Annual Report should contact invest@enlitic.com.

1 Resolution 1 – Re-election of Class III Director – Lawrence Gozlan

Section 5.2 of the Company's Certificate of Incorporation provides that the Directors shall be divided into three classes designated as Class I, Class II, and Class III, consisting (as nearly as practicable) of a number of Directors equal to one third of the number of members of the Board.

As at the date of this Notice, the Class I Directors comprise Lisa Pettigrew, the Class II Directors comprise Michael Sistenich and Sergio Duchini, and the Class III Directors comprise Lawrence Gozlan.

At the Meeting (being the third annual meeting), the initial term of office of the Class III Directors shall expire and Class III Directors shall be elected for a full term of three years.

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. Listing Rule 14.4 notes that this rule applies from the time of an entity's admission to the official list. A director appointed prior to the entity's admission to the official list must not hold office (without re-election) past the third annual general meeting following the entity's admission to the official list or 3 years following the entity's admission to the official list, whichever is longer. Lawrence Gozlan was appointed to the Board on 18 September 2019, and was re-elected by Stockholders as a Director on 8 November 2023 (prior to the entity's admission to the official list). The Company was admitted to the official list on 18 December 2023.

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Accordingly, pursuant to section 5.2 of the Company's Certificate of Incorporation, Listing Rule 14.4 and Listing Rule 14.5, the Company is seeking Stockholder approval to re-elect Lawrence Gozlan pursuant to Resolution 1.

Qualifications

Lawrence Gozlan, a leading biotechnology investor and advisor, is the Life Sciences Investment Manager at Jagen Pty Ltd, an international private investment organisation. Lawrence is also the Chief Investment Officer and Founder of Scientia Capital, a specialised global investment fund focused exclusively on life sciences. He currently serves as a director on several private and public company boards in Australia and the United States and holds a B.S. with Honors from the University of Melbourne.

Other material directorships

Currently, Lawrence Gozlan serves as a Non-Executive Director of Alterity Therapeutics Ltd and Opthea Ltd.

Independence

Lawrence Gozlan was appointed to the Board on 18 September 2019, and was re-elected by Stockholders as a Director on 8 November 2023 (prior to the entity's admission to the official list). The Board considers that Lawrence, if re-elected, will continue to be classified as an independent director.

Board recommendation

Based on Lawrence Gozlan's relevant experience and qualifications, the Board (in the absence of Lawrence Gozlan), supports his election as a Director of the Company and recommends that Securityholders vote in favour of Resolution 1.

Voting

Securityholders are urged to carefully read the Proxy Form and/or CDI Voting Instruction Form (as applicable) and provide a direction on how to vote on this Resolution.

2 Resolution 2 – Ratification of the Company's accounting firm

The Audit and Risk Management Committee of the Board has appointed RSM Australia Pty Limited as the Company's independent registered public accounting firm for the fiscal year ending 31 December 2026 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the Stockholders at the Meeting.

RSM Australia Pty Limited was appointed as the Company's auditor in July 2023 and, for completeness, has audited the Company's financial statements FY21 to date. Representatives of RSM Australia Pty Limited will be present at the Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require Stockholder ratification of the appointment of RSM Australia Pty Limited as the Company's independent registered public accounting firm. However, the Audit and Risk Management Committee of the Board is submitting the selection of RSM Australia Pty Limited to the Stockholders for ratification as a matter of good corporate practice. If the Stockholders fail to ratify the appointment, the Audit and Risk Management Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit and Risk Management Committee of the Board in its discretion may direct the appointment of different

independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its Stockholders.

Board recommendation

The Board recommends that Securityholders vote in favour of Resolution 2.

Voting

Securityholders are urged to carefully read the Proxy Form and/or CDI Voting Instruction Form (as applicable) and provide a direction on how to vote on this Resolution.

3 Resolution 3 – Approval of the issue of Awards under the 2023 Equity Incentive Plan

The Company has adopted two incentive plans: the 2014 Equity Incentive Plan and the 2023 Equity Incentive Plan.

The Company adopted the 2014 Equity Incentive Plan on 12 June 2014 (**2014 Plan**) to secure and retain the services of employees, Directors, consultants and affiliates of the Company, to provide incentives for such persons to exert maximum efforts for the success of the Company and any affiliate, and to provide a means by which such eligible recipients may be given an opportunity to benefit from increases in value of the Shares through the grant of stock awards primarily in the form of options.

Under the 2014 Plan, the Company reserved 13,698,637 Shares for issuance under the 2014 Plan and, as at 27 March 2026, the Board has granted the following securities that are issued and outstanding under the 2014 Plan: 11,500,979 options (of which, 353,203 options have been exercised and converted to Shares).

The 2014 Plan was superseded upon the adoption of the 2023 Equity Incentive Plan (**2023 Plan**) by the Company (although the terms of the 2014 Plan continue to apply to awards already granted under the 2014 Plan, as noted above).

The 2023 Plan was adopted on 9 November 2023 (AEDT) and provides for the grant of options to employees of the Company and certain affiliates, and for the grant of non-statutory stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, and other awards (together, the **Awards**) to the employees and consultants of the Company and certain affiliates and Directors. The 2023 Plan is the successor to, and continuation of, the 2014 Plan, and became effective upon the Company's admission to the official list of ASX.

The 2023 Plan is administered by the Board or its Remuneration and Nomination Committee, which has the power to determine:

- who will receive Awards under the 2023 Plan;
- the type of Awards granted under the 2023 Plan;
- the terms and conditions of Awards, not inconsistent with the terms of the 2023 Plan, including, without limitation, the exercise or purchase price (if any) applicable to the Award, the time or times when Awards may vest and/or be exercised, and any restriction or limitation regarding any Award or the Common Stock underlying any Award;
- specifically in the case of options:
 - the exercise price of any options granted, which will generally not be less than the fair market value of the Company's Common Stock on the date the option is granted;
 - the terms on which the options will be exercisable;

- the termination or cancellation provisions applicable to the options which are granted, provided that the expiry date shall, in most cases, not be more than 10 years from the date the option was granted; and
- whether such option is intended to be tax qualified under the laws of any jurisdiction; and
- to construe and interpret the terms of the 2023 Plan and any Award agreement.

A summary of the terms of the 2023 Plan is set out in Annexure A to this Explanatory Memorandum.

Stockholder approval requirements

Stockholder approval is sought under Listing Rule 7.2 Exception 13(b) and for all other purposes for the issue of Awards under the 2023 Plan.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue or agree to issue without the approval of its securityholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

Stockholder approval is required if any issue of Awards pursuant to the 2023 Plan is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 and the additional 10% limit imposed by Listing Rule 7.1A on the number of Equity Securities which may be issued without Stockholder approval. Accordingly, Stockholder approval is sought for the purposes of Listing Rule 7.2 Exception 13(b) which provides that Listing Rules 7.1 and 7.1A do not apply to an issue of Equity Securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue.

The maximum aggregate number of Common Stock that has been reserved for issuance under the 2023 Plan and proposed to be issued under the 2023 Plan is 85,173,046¹ plus up to an additional 13,100,000 shares of Common Stock currently subject to outstanding awards under the 2014 Plan that may become available for issuance under the 2023 Plan if such awards terminate or expire (in whole or in part) without Common Stock being issued or are settled in cash; if the Common Stock, or Common Stock underlying such awards, are forfeited to or repurchased by the Company because of a failure to vest; or are withheld or reacquired to satisfy the exercise, strike or purchase price of such award or to satisfy a tax withholding obligation.

In addition, without further approval of Stockholders under Delaware law, pursuant to the terms of the 2023 Plan the Board or its Remuneration and Nomination Committee may act, prior to January 1 of a given year, starting from (and including) January 1, 2024 and ending on (and including) January 1, 2033, to provide that the number of shares of Common Stock reserved for issuance under the 2023 Plan will increase on January 1 of that year, in an amount equal to the lesser of (i) 10% of the total number of shares of capital stock outstanding on December 31 of the preceding calendar year, and (ii) such number of shares of capital stock as may be determined by the Board or the Remuneration and Nomination Committee; provided, that the total share reserve (in (i) and (ii)) shall not exceed the number of shares of Common Stock equal to 15% of the total number of shares of capital stock (including all outstanding convertible or exchangeable securities on a fully-diluted, as-converted-to-Common-Stock basis and including the remaining shares of Common Stock available for issuance under the share reserve) on December 31 of the preceding calendar year.¹

¹ In accordance with the terms of the 2023 Plan, as summarised in Annexure A and disclosed in the Company's prospectus dated 22 November 2023, the Board has resolved to increase the Awards reserve to a maximum 85,173,046 effective from 1 January 2025.

Once the above number is reached, the Company will need to seek fresh approval from Stockholders if the subsequent issue of Awards is to fall within Listing Rule 7.2 Exception 13(b).

Prior Stockholder approval will be required before any Director or related party of the Company can participate in the 2023 Plan.

Technical information required for the purposes of Listing Rule 14.1A

If Resolution 3 is passed, Awards issued by the Company under the 2023 Plan will be excluded from the calculation of the number of Equity Securities that the Company can issue without Stockholder approval under Listing Rule 7.1 and, subject to Resolution 4 being passed, Listing Rule 7.1A.

If Resolution 3 is not passed, the issue of those Awards will not fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 and, subject to Resolution 4 being passed, the additional 10% limit imposed by Listing Rule 7.1A, effectively decreasing the number of Equity Securities which may be issued without Stockholder approval.

Specific information required by Listing Rule 7.2 Exception 13(b)

In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the following information is provided to Stockholders:

- (a) a summary of the terms of the 2023 Plan is contained in Annexure A to this Explanatory Memorandum;
- (b) this is the first approval sought under Listing Rule 7.2 Exception 13(b) with respect to the 2023 Plan. A total of 71,763,750 Awards have been issued pursuant to the 2023 Plan since the Company was listed;
- (c) the maximum number of Awards proposed to be issued under the 2023 Plan under Exception 13(b) to Listing Rule 7.2 following approval of Resolution 3 is 85,173,046^{1, 2}; and
- (d) a voting exclusion statement has been included in the Notice for the purpose of Resolution 3.

Board recommendation

The Board recommends that Securityholders vote in favour of Resolution 3.

Voting

Securityholders are urged to carefully read the Proxy Form and/or CDI Voting Instruction Form (as applicable) and provide a direction on how to vote on this Resolution.

² Plus up to an additional 13,100,000 shares of Common Stock currently subject to outstanding awards under the 2014 Plan that may become available for issuance under the 2023 Plan if such awards terminate or expire (in whole or in part) without Common Stock being issued or are settled in cash; if the Common Stock, or Common Stock underlying such awards, are forfeited to or repurchased by the Company because of a failure to vest; or are withheld or reacquired to satisfy the exercise, strike or purchase price of such award or to satisfy a tax withholding obligation. As noted above, without further approval of Stockholders under Delaware law, pursuant to the terms of the 2023 Plan the Board or its Remuneration and Nomination Committee may act, prior to January 1 of a given year, starting from (and including) January 1, 2024 and ending on (and including) January 1, 2033, to provide that the number of shares of Common Stock reserved for issuance under the 2023 Plan will increase on January 1 of that year, in an amount equal to the lesser of (i) 10% of the total number of shares of capital stock outstanding on December 31 of the preceding calendar year, and (ii) such number of shares of capital stock as may be determined by the Board or the Remuneration and Nomination Committee; provided, that the total share reserve (in (i) and (ii)) shall not exceed the number of shares of Common Stock equal to 15% of the total number of shares of capital stock (including all outstanding convertible or exchangeable securities on a fully-diluted, as-converted-to-Common-Stock basis and including the remaining shares of Common Stock available for issuance under the share reserve) on December 31 of the preceding calendar year.

4 Resolution 4 – Approval of additional 10% placement capacity

As noted above, broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its members over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Listing Rule 7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of A\$300 million or less. The Company is an eligible entity for these purposes given it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately A\$6.67 million as at close of trade 25 March 2026.

This Resolution seeks Stockholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Stockholder approval.

Technical information required for the purposes of Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further member approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Stockholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Stockholder approval set out in Listing Rule 7.1.

The number of Equity Securities which may be issued pursuant to the Listing Rule 7.1A Mandate

As at close of trade 27 March 2026, the Company has on issue 833,178,629 shares of Common Stock and therefore, subject to Stockholder approval being obtained under this Resolution, approximately 83,317,862 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Stockholders should note that the calculation of the number of Equity Securities permitted to be issued under the Listing Rule 7.1A Mandate is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

That formula is:

$(A \times D) - E$

- A** is the number of fully paid ordinary securities on issue on the date which is the later of the date the Company was admitted to the ASX and 12 months before the date immediately preceding the date of issue or agreement (the period between that date and the date of the issue or agreement being the **Relevant Period**):
- (a) plus the number of fully paid ordinary securities issued in the Relevant Period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
 - (b) plus the number of fully paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

- (ii) the issue of, or agreement to issue, the convertible securities was approved or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
- (c) plus the number of fully paid ordinary securities issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
- (d) plus the number of fully paid ordinary securities issued in the Relevant Period with approval of holders of ordinary securities under Listing Rules 7.1 and 7.4;
- (e) plus the number of partly paid ordinary securities that become fully paid in the Relevant Period; and
- (f) less the number of fully paid ordinary securities cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity;

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement to issue has not been subsequently approved by Stockholders under Listing Rule 7.4.

Specific information required by Listing Rule 7.3A

- (a) If Resolution 4 is passed, the Listing Rule 7.1A Mandate will be valid during the period from the date of the Meeting and will expire on the earlier of:
 - (i) the date that is 12 months after the date of the Meeting;
 - (ii) the time and date of the Company's next annual general meeting; and
 - (iii) the time and date on which the Company receives approval by Stockholders for a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities to be issued will be in an existing class of quoted securities and will be issued for cash consideration at an issue price per Equity Security of not less than 75% of the volume weighted average market price for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The fully paid ordinary securities will likely be issued to:
 - (i) further develop the Company's business plan;

- (ii) fund and develop, and where possible, accelerate the path to market any of its existing products and products in development;
 - (iii) further develop business growth through sales and marketing; and/or
 - (iv) for general corporate purposes, including working capital requirements.
- (d) If this Resolution is approved by Stockholders and the Company issues Equity Securities under the Listing Rule 7.1A Mandate, the existing Stockholders' economic and voting interests in the Company will be diluted. There is also a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date the Listing Rule 7.1A Mandate was approved; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities.

The table below demonstrates the potential dilution of existing Stockholders in three differing scenarios (with the relevant assumptions noted below the table) as at close of trade 27 March 2026.

Variable 'A' (refer above for calculation)		Dilution		
		A\$0.004 Issue Price at half the market price	A\$0.008 Issue Price at market price	A\$0.016 Issue Price at double the market price

	Funds raised	A\$499,907	A\$999,814	A\$1,999,629
	Dilution	10%	10%	10%
100% increase in current Variable 'A' 1,666,357,258 Common Stock	Common Stock issued	166,635,725	166,635,725	166,635,725
	Funds raised	A\$666,543	A\$1,333,086	A\$2,666,172
	Dilution	10%	10%	10%

Note: This table assumes:

- No convertible securities are exercised before the date of the issue of the Equity Securities.
- The issue of Equity Securities under the Listing Rule 7.1A Mandate consists only of fully paid ordinary securities.

- *The table does not show an example of dilution that may be caused to a particular Stockholder by reason of placements under the Listing Rule 7.1A Mandate, based on that Stockholder's holding at the date of the Meeting.*
- *The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4.*
- *This table does not set out any dilution pursuant to ratification under Listing Rule 7.4.*

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (e) The identity of the persons to whom fully paid ordinary securities will be issued is not yet known and will be determined on a case-by-case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of matters including, but not limited to:
- the purpose of the issue;
 - the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlement offer, or a placement and an entitlement offer;
 - the dilutionary effect of the proposed issue of the Equity Securities on existing Stockholders at the time of proposed issue of Equity Securities;
 - the financial situation and solvency of the Company; and
 - advice from the Company's professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom fully paid ordinary securities will be issued under the Listing Rule 7.1A Mandate have not been determined as at the date of the Notice, but will not include related parties (or their Associates) of the Company.

- (f) The Company has previously issued or agreed to issue Equity Securities under Listing Rule 7.1A2 in the 12 months preceding the date of the Meeting. A total of 58,317,461 Equity Securities were issued or agreed to be issued as part of tranche 1 of the Company's placement announced to ASX on 5 May 2025 (**Tranche 1 Placement CDIs**), with such issue occurring on 12 May 2025, representing approximately 9% of the total number of Equity Securities (for completeness, on a fully diluted basis) on issue at the commencement of the 12 month period preceding the date of the Meeting³:
- the Tranche 1 Placement CDIs were issued to Australian sophisticated, professional and other investors, all of whom are unrelated parties of the Company;
 - the placees were selected following a bookbuild process by the Company and the lead manager, Taylor Collison. When considering allocations, the lead manager and the Company considered relevant factors, including bidder type, size of funds under management, bid timing and volume, existing holdings, prior investment behaviours, and aggregate demand;
 - 58,317,461 Tranche 1 Placement CDIs (and the same number of underlying Common Stock) were issued under Listing Rule 7.1A2;

³ For completeness, it is noted that within the 12-month period preceding the date of the Meeting Equity Securities were issued under either an exception from Listing Rule 7.1 and/or with Securityholder approval (or ratification).

- (iv) the Tranche 1 Placement CDIs issued were fully paid and ranked equally in all respects with the existing CDIs on issue;
- (v) the Company received A\$0.04 for each Tranche 1 Placement CDI issued under Listing Rule 7.1A2 (a premium to the closing market price of A\$0.034 on the date of issue (being 12 May 2025)); and
- (vi) the Company received approximately A\$2.3 million in respect of the issue of Tranche 1 Placement CDIs pursuant to Listing Rule 7.1A2 and the Company used the proceeds raised under the Placement for research and development, quality and regulatory, strategic development, sales and marketing, customer service, corporate, working capital and costs associated with the transaction.

ANNEXURE 1 – SUMMARY OF TERMS OF THE 2023 EQUITY INCENTIVE PLAN

The 2023 Plan was adopted on 9 November 2023 and provides for the grant of options to employees of the Company and certain affiliates, and for the grant of non-statutory stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, and other awards (together, the **Awards**) to the employees and consultants of the Company and certain affiliates and Directors. The 2023 Plan is the successor to, and continuation of, the 2014 Plan, and became effective upon the Company's admission to the official list of ASX.

The maximum aggregate number of Common Stock that has been reserved for issuance under the 2023 Plan and proposed to be issued under the 2023 Plan is 85,173,046⁴ plus up to an additional 13,100,000 shares of Common Stock currently subject to outstanding awards under the 2014 Plan that may become available for issuance under the 2023 Plan if such awards terminate or expire (in whole or in part) without Common Stock being issued or are settled in cash; if the Common Stock, or Common Stock underlying such awards, are forfeited to or repurchased by the Company because of a failure to vest; or are withheld or reacquired to satisfy the exercise, strike or purchase price of such award or to satisfy a tax withholding obligation.

In addition, without further approval of Stockholders under Delaware law, pursuant to the terms of the 2023 Plan the Board or its Remuneration and Nomination Committee may act prior to January 1 of a given year, starting from (and including) January 1, 2024 and ending on (and including) January 1, 2033, to provide that the number of shares of Common Stock reserved for issuance under the 2023 Plan will increase on January 1 of that year, in an amount equal to the lesser of (i) 10% of the total number of shares of capital stock outstanding on December 31 of the preceding calendar year, and (ii) such number of shares of capital stock as may be determined by the Board or the Remuneration and Nomination Committee; provided, that the total share reserve (in (i) and (ii)) shall not exceed the number of shares of Common Stock equal to 15% of the total number of shares of capital stock (including all outstanding convertible or exchangeable securities on a fully-diluted, as-converted-to-Common-Stock basis and including the remaining shares of Common Stock available for issuance under the share reserve) on December 31 of the preceding calendar year.⁴

The 2023 Plan is administered by the Board or its Remuneration and Nomination Committee, which has the power to determine:

- who will receive Awards under the 2023 Plan;
- the type of Awards granted under the 2023 Plan;
- the terms and conditions of Awards, not inconsistent with the terms of the 2023 Plan, including, without limitation, the exercise or purchase price (if any) applicable to the Award, the time or times when Awards may vest and/or be exercised, and any restriction or limitation regarding any Award or the Common Stock underlying any Award;
- specifically in the case of options:
 - the exercise price of any options granted, which will generally not be less than the fair market value of the Company's Common Stock on the date the option is granted;
 - the terms on which the options will be exercisable;
 - the termination or cancellation provisions applicable to the options which are granted, provided that the expiry date shall, in most cases, not be more than 10 years from the date the option was granted; and

⁴ In accordance with the terms of the 2023 Plan, as summarised in this Annexure A and disclosed in the Company's prospectus dated 22 November 2023, the Board has resolved to increase the Awards reserve to a maximum 85,173,046 effective from 1 January 2025.

- whether such option is intended to be tax qualified under the laws of any jurisdiction; and
- to construe and interpret the terms of the 2023 Plan and any Award agreement.

In the event of:

- a sale or other disposition of all or substantially all of the Company's assets;
- a sale or other disposition of more than 50% of the outstanding securities of the Company;
- a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or
- a merger, consolidation or similar transaction following which the Company is the surviving corporation but the Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise,

then the Board or the Remuneration and Nomination Committee may take one or more of the following actions with respect to outstanding Awards (which such action(s) need not be the same with respect to each Award), contingent upon the closing or completion of such transaction, and subject to any provision to the contrary in the instrument evidencing the Award or any other written agreement with the holder of such Award:

- providing for the assumption or substitution of the outstanding Award;
- accelerating the vesting, in whole or in part, of any Award (including arranging for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company);
- assigning any reacquisition or repurchase rights held by the Company with respect to an Award to the surviving or acquiring entity or its parent; or
- cancelling the outstanding Award on such terms and conditions as it deems appropriate, including providing for the cancellation of such outstanding Award for any or no consideration as the Board or Remuneration and Nomination Committee determines, which such payments may be delayed to the same extent that payment of consideration to the holders of the Common Stock in connection with the transaction is delayed as a result of escrows, earn outs, holdbacks or any other contingencies.

Subject to compliance with applicable law, the Board has the authority to amend or terminate the 2023 Plan provided no amendment or termination (other than an adjustment pursuant to a reorganisation, which will be conducted in accordance with the Listing Rules) shall be made that would materially and adversely affect the rights of any participant under any outstanding Award, without such participant's consent. Certain amendments will require the approval of the Stockholders.

The 2023 Plan will automatically terminate in 2033, unless terminated prior.
