Cautionary Note on Forward-Looking Statements

Forward-looking statements can generally be identified by the use of forward-looking words such as, “expect”, “anticipate”, “likely”, “intend”, “should”, “could”, “may”, “predict”, “plan”, “propose”, “will”, “believe”, “forecast”, “estimate”, “target”, “outlook”, “guidance” and other similar expressions and include, but are not limited to, plans and prospects for the Company, the Company’s strategy, future operations, the expected timing and/or results of regulatory approvals and prospects of commercialising product candidates or research collaborations with its partners, including in Japan, the outcome and effects of *Sofdra* and the market for *Sofdra*. Indications of, and guidance or outlook on, future earnings or financial position or performance are also forward-looking statements. The forward-looking statements contained in this Presentation are not indications, guarantees or predictions of future performance and involve known and unknown risks and uncertainties and other factors, many of which are beyond the control of Botanix, and may involve significant elements of subjective judgement and assumptions as to future events which may or may not be correct. Investors should consider the forward-looking statements contained in this Presentation in light of those disclosures and not place undue reliance on such statements. Except as required by law or regulation, Botanix undertakes no obligation to update forward-looking statements.
