8 April 2026

Incident at King of the Hills mine site

Vault Minerals Limited (ASX: VAU) ("Vault" or "the Company") regrets to advise that an employee of DeltaFM, a subcontractor engaged by the catering contractor at King of the Hills ("KoTH"), has passed away following an incident at the KoTH mine site yesterday morning.

The deceased was a passenger in a light vehicle traveling along a 40km/h section of the site access road when the vehicle left the road. The driver of the vehicle sustained minor injuries and is receiving medical treatment. Vault is not aware of any other personnel or vehicles involved in the incident.

The incident was reported to WA Police and the Department of Local Government, Industry Regulation and Safety ("LGIRS") and Vault is assisting with their respective investigations. Operations at KoTH were voluntarily suspended yesterday to allow both WA Police and LGIRS to complete their site investigations. Operations are expected to resume today.

The Company extends its sincere condolences to the deceased's family, friends and colleagues and is providing support to the workforce during this difficult time.
