Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. Company Financial Report, Directors' Report and Auditor's Report

The financial report, directors' report and auditor's report for the Company will be laid before the Meeting. There is no requirement for Shareholders to approve these reports. The Chairman will allow a reasonable time for Shareholders to ask questions about or make comments on the management of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, and the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

2. Resolution 1 - Adoption of the Remuneration Report

The remuneration report for the Company is set out in the Company's 2025 Annual Report. The remuneration report outlines the Company's remuneration framework and the remuneration outcomes for the financial year the subject of the remuneration report for the Board and Key Management Personnel.

The Chairman will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the remuneration report at the meeting.

Under the Corporations Act if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, then a further resolution ("Spill Resolution") may be required to be considered at the second annual general meeting as to whether a further meeting be convened to put some or all of the Directors to re-election.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the requirement for a Spill Resolution will not arise at this Meeting irrespective of the outcome of the vote on Resolution 1.

If you are appointing the Chair as your proxy, please note that the proxy form accompanying this Notice expressly authorises the Chair to vote any undirected proxies in favour of Resolution 1 even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Accordingly, if you are appointing the Chair as your proxy and do not wish your proxy to vote in favour of Resolution 1 you will need to mark "against" or "abstain" where indicated in the proxy form in relation to Resolution 1.

3. Resolution 2 – Election of Director – Mr Stuart Mathews

3.1 Background

Clause 14.4 of the Constitution allows the Directors to appoint at any time a person to be a Director as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Any Director so appointed holds office only until the next following annual general meeting and is then eligible for election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

ASX Listing Rule 14.4 provides that a Director appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting.

Mr Stuart Mathews, appointed by the Board as a Director on 22 January 2025, will retire in accordance with clause 14.4 of the Constitution and ASX Listing Rule 14.4 at the Meeting and, being eligible seeks election.

Mr Mathews is a mining professional with more than 32 years' experience and is highly regarded for his ability to successfully deliver projects from early feasibility stages through to mine development, construction and full-scale operations. Mr Mathews was previously the Executive Vice President – Australasia for Gold Fields Limited. In addition, Mr Mathews has delivered several high profile projects during his career, including the Cowal Gold Project for Barrick Australia, the Palmarejo Silver-Gold Mine in Mexico for Coeur D'Alene Mines and the Mineral Hill Mine for KBL Mining. Mr Stuart Mathews is currently a director of the following ASX listed companies Hot Chilli Limited and Ballard Mining Limited.

The Company has confirmed Mr Stuart Mathews's qualifications and material employment history and conducted an ASIC search and criminal history search of Mr Stuart Mathews. Nothing of concern has arisen from these enquiries.

Mr Stuart Mathews does not have any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole rather than in the interests of an individual security holder or other party.

The Board considers that Mr Stuart Mathews will, if elected, qualify as an independent Director.

The Board (other than Mr Stuart Mathews who has a material interest in the outcome of Resolution 2) supports the election of Mr Stuart Mathews as a Director.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, then Mr Stuart Mathews will continue as a Director post the Annual General Meeting.

If Resolution 2 is not passed, the Mr Stuart Mathews will cease to be a Director from the end of the Annual General Meeting and the Company's Board of Directors will be reduced to 5.

4. Resolution 3 – Ratification of issue of Loan Conversion Shares

4.1 Background

As announced by the Company to ASX on 19 June 2023, the Company conducted a refinance of the debt facilities held by the Company and Tulla Resources Plc as part of the merger of those two companies. As part of the refinance, the Company entered into the new Loan Agreement with Nebari (**Lender**).

Please refer to Schedule 1 for the material terms of the Loan Agreement.

As announced by the Company:

- (a) on 27 February 2025, the Lender exercised its right convert part of the Loan (approximately US\$2.1m) into Shares (approximately 32,871,565 Pre-Consolidation Shares) at a deemed issue price of A\$0.10 per Share. These Shares were issued on that date;
- (b) on 18 March 2025, the Lender exercised its right convert part of the Loan (approximately US\$2.1m) into Shares (approximately 32,871,565 Pre-Consolidation Shares) at a deemed issue price of A\$0.10 per Share. These Shares were issued on that date;
- (c) on 22 April 2025, the Lender exercised its right convert part of the Loan (approximately US\$2.1m) into Shares (approximately 1,941,176 Post-Consolidation Shares) at a deemed issue price of A\$1.69 per Share. These Shares were issued on that date,

(Loan Conversion Shares).

4.2 Resolution 3 – Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Loan Conversion Shares did not fit within any of the exceptions and, as it has not yet been approved by the Company's shareholders, it has effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made pursuant to Listing Rule 7.1. If they do so, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolutions 4(i) to 4(iii) seeks Shareholder approval to the issue of the Loan Conversion Shares for the purposes of Listing Rule 7.4.

4.3 Technical information required by Listing Rule 14.1A

If Resolution 3 are passed, the relevant Loan Conversion Shares will be excluded in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If any of Resolution 3 are not passed, the relevant Loan Conversion Shares will be included in calculating the Company's 15% placement capacity under Listing Rule

7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

4.4 **Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the Loan Conversion Shares:

- (a) the Shares were issued to Nebari Gold Fund 1 LP, Nebari Natural Resources Credit Fund I LP and Nebari Natural Resources Credit Fund II LP;
- (b) a total of approximately 67,684,306 Shares on a Pre-Consolidation basis (or 3,981,430 Shares on a Post-Consolidation basis) were issued pursuant to the Company's placement capacity under Listing Rule 7.1, comprising:
 - (i) 56,408,102 Shares on a Pre-Consolidation basis (or 3,318,124 Shares on a Post-Consolidation basis) to Nebari Gold Fund 1 LP;
 - (ii) 5,638,102 Shares on a Pre-Consolidation basis (or 331,653 Shares on a Post-Consolidation basis) to Nebari Natural Resources AIV I LP; and
 - (iii) 5,638,102 Shares on a Pre-Consolidation basis (or 331,653 Shares on a Post-Consolidation basis) to Nebari Natural Resources AIV II LP;
- (c) the Loan Conversion Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Loan Conversion Shares were issued on 27 February 2025 in respect of Resolution 3(i), 18 March 2025 in respect of Resolution 3(ii) and 22 April 2025 in respect of Resolution 3(iii);
- (e) the issue price was A\$0.10 cents per Loan Conversion Share on a Pre-Consolidation basis and A\$1.69 per Loan Conversion Share on a Post-Consolidation basis representing a total amount of the Loan being converted at A\$6.728,617;
- (f) no funds were raised from the issue of the Loan Conversion Shares as they were issued in part consideration of repayment of the Loan; and
- (g) the Shares were issued under the Loan Agreement, as summarised in Schedule 1.

4.5 **Additional Information**

The Board recommends that Shareholders vote in favour of Resolution 3.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

5. Resolution 4 - Ratification of prior grant of Options under the Loan Agreement

5.1 Background

Reference is made to the Loan Agreement summarised in Schedule 1.

As announced by the Company to ASX on 1 May 2025, the Company repaid the Loan early.

In accordance with the Loan Agreement, the Company issued 4,924,312 Post-Consolidation Options (being 83,713,304 Pre-Consolidation Options) to the Lender (and its nominees) as a result of the early repayment of the Loan.

The terms of the Options are set out in Schedule 2 (**Nebari Options**).

To date approximately 3,981,430 Nebari Options have been exercised.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the grant of the Nebari Options.

5.2 Resolution 4 – Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 4 seeks Shareholder approval to the grant of the Nebari Options for the purposes of Listing Rule 7.4.

5.3 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Nebari Options will be excluded in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 4 is not passed, the Nebari Options will be included in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

5.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the Nebari Options:

- (a) the Nebari Options were granted to Nebari Gold Fund 1, LP, Nebari Natural Resources AIV I LP and Nebari Natural Resources AIV II LP;
- (b) a total of 4,924,312 Nebari Options were granted pursuant to the Company's placement capacity under Listing Rule 7.1, comprising:
 - (i) 4,103,922 Nebari Options to Nebari Gold Fund 1 LP;
 - (ii) 410,195 Nebari Option to Nebari Natural Resources AIV I LP; and
 - (iii) 410,195 Nebari Option to Nebari Natural Resources AIV II LP;
- (c) the Nebari Options were granted on the terms and conditions set out in Schedule 2;
- (d) the Nebari Options were granted on 1 May 2025;
- (e) no funds were raised from the grant of the Nebari Options as the Nebari Options were granted as a result of early repayment of the Loan in accordance with the Loan Agreement (as summarised in Schedule 1); and

5.5 Additional Information

The Board recommends that Shareholders vote in favour of Resolution 4.

The Chairperson intends to exercise all available proxies in favour of Resolution 4.

6. Resolution 5 – Approval of Incentive Awards Plan

6.1 Background

The Company has adopted an incentive awards plan called the “Pantoro Gold Incentive Awards Plan” (**Plan**) under which the Company can issue Equity Securities in the form of Shares, Options and Performance Rights (together, **Awards**) to attract, motivate and retain key officers, employees and consultants of the Company by providing them with the opportunity to acquire Equity Securities that allow them to participate in the future growth of the Company.

The predecessor of the Plan was last approved by Shareholders for the purposes of ASX Listing Rule 7.2 2 (Exception 13(b)) on 28 November 2022. This approval expires after three (3) years unless renewed.

Resolution 5 seeks Shareholder approval of the new Plan, and the issue of Equity Securities under it, in accordance with ASX Listing Rule 7.2 (Exception 13(b)) such that the issue of Awards under it, up to the maximum number referred to below, will not reduce the Company's 15% placement capacity under ASX Listing Rule 7.1 for a period of 3 years from the date the resolution is passed.

6.2 Listing Rule 7.2 (Exception 13(b))

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2 (Exception 13(b)) provides that issue of Equity Securities under an employee incentive scheme within period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme is an exception to Listing Rule 7.1.

In accordance with the requirements Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to the proposed approval of the Plan and the issue of Equity Securities under it:

- (a) a summary of the terms of the Plan is provided in Schedule 3;
- (b) no Equity Securities have previously been issued under the Plan;
- (c) the maximum number of Awards proposed to be issued under the Plan following Shareholder approval is 19,709,045. This maximum is 5% of the Shares on issue as at the date of this Notice; and
- (d) a voting exclusion statement is included in this Notice for Resolution 5.

If Resolution 5 is passed, the Company will be able to issue Awards under the Plan, up to the maximum number stated above, to eligible participants over a period of 3 years from the date the resolution is passed without using any of the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will still be able to proceed with the issue of Awards under the Plan to eligible participants but any issue will reduce the Company's 15% placement capacity under Listing Rule 7.1 for the 12 month period following the issue of the Awards unless the issue falls within another exception to Listing Rule 7.1 such as under Listing Rule 10.14.

For the avoidance of doubt, the Company will need separate Shareholder approval under Listing Rule 10.14 in respect of any future issue of Awards under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

6.3 Termination benefits

Overview

Resolution 5 also seeks Shareholder approval, in accordance with section 200E of the Corporations Act and ASX Listing Rule 10.19, to permit the Company to give certain termination benefits under the Plan for a period of up to 3 years from the date the Resolution is passed.

Sections 200B and 200E of the Corporations Act

Section 200B of the Corporations Act prohibits benefits being given to a person in connection with a person's (the **Retiree's**) retirement from an office or position of employment with the Company or any of its Related Bodies Corporate where:

- (a) the office or position is a "managerial or executive office" (as defined in the Corporations Act); or
- (b) the Retiree held such an office at any time in the three years prior to their retirement,

unless Shareholders approve the benefit under section 200E of the Corporations Act

or an exemption applies. Sections 200F and 200G of the Corporations Act provide exemptions for certain benefits provided they fall below certain limits – in general terms up to a maximum of 1 year's annual base salary (**Benefit Caps**).

The term "benefit" has a wide meaning under the Corporations Act and may include benefits that arise, upon a person ceasing to hold office or employment, as a result of the waiver or acceleration, either automatically or in the Board's discretion, of vesting conditions or disposal restrictions applying to Awards issued under the Plan.

Shareholders are being asked to approve any such benefits that may arise in these circumstances.

The value of such benefits that may be given under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of benefit being given and the number of Awards to which the benefit relates. The following additional factors may also affect the benefit's value:

- (c) the portion of any relevant performance periods that have elapsed and the extent to which any vesting conditions have been satisfied at the time of the Retiree ceasing to hold the office or position of employment;
- (d) the circumstances and reasons for the Retiree ceasing to hold the office or position of employment;
- (e) the time elapsed since the relevant Awards were granted relative to the date any vesting condition or disposal restriction would otherwise have been satisfied or lapsed.

6.4 **Listing Rule 10.19**

Listing Rule 10.19 provides that, without Shareholder approval, a company must ensure that no officer of the Company or any of its child entities (**Officer**) will, or may be, entitled to "termination benefits" if the value of those benefits and the terminations benefits that are or may be payable to all Officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

"Termination benefits" are payments, property and advantages that are receivable on termination of employment, engagement or office, except those from any superannuation or provident funds and those required by law to be made.

As noted above, benefits that may be given in accordance with the Plan, upon a person ceasing to hold office or employment, include benefits arising from the waiver or acceleration, either automatically or in the Board's discretion, of vesting conditions or disposal restrictions applying to Awards issued under the Plan. These may constitute termination benefits for the purposes of Listing Rule 10.19.

Depending on the value of these termination benefits, and the equity interests of the Company at the time such benefits may crystallise, it is uncertain if the value of the termination benefits, when aggregated with any other termination benefits other Officers may become entitled to, would exceed the 5% threshold provided for in Listing Rule 10.19. Shareholder approval is therefore being sought under the Listing Rules.

Summary

The Company is therefore seeking Shareholder approval in advance under section 200E of the Corporations Act for any benefits given under the Plan in connection with any Retiree ceasing office or employment.

This approval only applies to termination benefits provided under the Plan within the period of 3 years from the date the Resolution is passed.

Resolution 5 is an ordinary resolution.

6.5 Board recommendation

All the Directors decline to make a recommendation in relation to Resolution 5 due to their potential personal interests in the outcome of the Resolution.

7. Resolution 6 – Grant of Performance Rights to Mr Paul Cmrlec

7.1 Overview

The Company has agreed, subject to obtaining Shareholder approval, to grant 230,113 Performance Rights to Mr Paul Cmrlec (or his permitted nominee) who is a Director of the Company (**Related Party**) on the terms and conditions set out below (**Related Party Performance Rights**).

The Performance Rights are being offered and will be granted under the Plan.

Please refer to Schedule 4 for a summary of the terms of the Related Party Performance Rights and please refer to Schedule 3 for a summary of the terms of the Plan.

Resolution 6 seeks Shareholder approval for the grant of the Performance Rights to Director Mr Paul Cmrlec (or his permitted nominee) respectively.

7.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Performance Rights constitutes giving a financial benefit and Mr Paul Cmrlec is a related party of the Company by virtue of being a Director. If his nominee receives the Performance Rights they will also be a related party by virtue of being an associate of Mr Paul Cmrlec.

The Directors (other than Mr Paul Cmrlec, who a material personal interests in Resolution 6) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Performance Rights because the agreement to grant the Performance Rights is considered reasonable remuneration having regard to the circumstances of the Company and the position

held by Mr Paul Cmrlec. Accordingly, the proposed grant of the Performance Rights to Mr Paul Cmrlec is considered to fall within the “reasonable remuneration” exception set out in section 211 of the Corporations Act so that member approval is not required for the purposes of Chapter 2E of the Corporations Act.

7.3 Listing Rule 10.14

The Company is proposing to grant the Related Party Performance Rights to the Related Party.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive plan unless it obtains shareholder approval:

- (a) a director of the company (Listing Rule 10.14.1);
- (b) an associate of a director of the company (Listing Rule 10.14.2); or
- (c) a person whose relationship with the company, or a person referred to in Listing Rule 10.14.1. or 10.14.2 is such that, in ASX’s opinion, that the acquisition should be approved by its shareholders.

As the grant of the Related Party Performance Rights under Resolution 6 involves the grant of securities to a Director of the Company (or their permitted nominee), and therefore falls within Listing Rule 10.14.1 and 10.14.2, Shareholder approval pursuant to ASX Listing Rule 10.14 is required.

7.4 Technical Information required by Listing Rule 14.1A

If Resolution 6 is passed, the Company will be able to proceed with the grant of the Related Party Performance Rights the subject of Resolution 6.

If Resolution 6 is not passed, the Company will not be able to grant the Related Party Performance Rights the subject of Resolution 6.

7.5 Technical Information required by Listing Rule 10.15

7.6 Additional Information

The Board (other than Mr Paul Cmrlec, who abstains due to his material personal interest in the outcome of Resolution 6) recommends that Shareholders vote in favour of Resolution 6.

The Chairperson intends to exercise all available proxies in favour of Resolution 6.

8. Resolution 7 - Approval of Potential Termination Benefits to Director

8.1 Background

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'.

The Listing Rules also provide certain limitations on the payment of 'termination benefits' to officers of listed entities.

Resolution 6 seek Shareholder approval to grant Performance Rights to Director Mr Paul Cmrlec (or his permitted nominee) under the Plan.

The Plan, and the terms and conditions of grant of Performance Rights under the Plan to the Related Parties (or their nominees), contain a number of provisions which may constitute the provision of potential termination benefits to be paid or given to Mr Cmrlec upon the cessation of Mr Cmrlec in their role with the Company and further detailed in Schedules 1 and 2 (**Potential Termination Benefits**). Such terms may operate to entitle Mr Cmrlec (or his permitted nominee), to an early vesting of Performance Rights and/or in different circumstances (including on a change of control of the Company) than might otherwise be the case in connection with their ceasing to hold a managerial or executive office with the Company and some of the relevant provisions in the Plan (or terms and conditions) are subject to the Board exercising their discretion to allow such exercise (whether by waiving vesting conditions or extending the period for vesting or resolving that unvested Performance Rights do not lapse when otherwise they would).

Resolution 7 seek Shareholder approval in accordance with Part 2D.2 of the Corporations Act (including sections 200B and 200E of the Corporations Act) and Listing Rule 10.19 for the Potential Termination Benefits that Mr Paul Cmrlec may be entitled to receive upon ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company or a related body corporate.

8.2 Part 2D.2 of the Corporations Act

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) in connection with the retirement from their position in the Company or its related bodies corporate, unless an exception applies.

The term 'benefit' has a wide operation and includes any automatic and accelerated vesting of incentive securities upon termination or cessation of employment in accordance with their terms, or the exercise of any Board discretion to determine such automatic or accelerated vesting will occur.

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a relevant person's retirement from an office, the Company must, subject to various exceptions, obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act.

Provided shareholder approval is given, the value of the Potential Termination Benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e., the approved benefit will not count towards the statutory cap under the Corporations Act).

8.3 Listing Rule 10.19

Listing Rule 10.19 provides that, without the approval of shareholders, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to the ASX under the Listing Rules.

If Shareholders approve Resolution 7 the value of the Potential Termination Benefits will not be counted towards the 5% cap set out in Listing Rule 10.19.

8.4 Potential termination benefits

Resolution 6 seeks Shareholder approval to issue Performance Rights to Director Mr Paul Cmrlec (or his nominee) under the Plan which may include Potential Termination Benefits.

These may constitute a "benefit" for the purposes of section 200B of the Corporations Act.

The value of any such Potential Termination Benefits which may be given to Mr Paul Cmrlec (or his permitted nominee) cannot presently be ascertained but matters, events and circumstances that may, or will, affect the calculation of that value include:

- (a) the number of Performance Rights held by the participant;
- (b) the number of Performance Rights that vest early or do not lapse when otherwise they would;

- (c) the price of Shares on the ASX on the date of ceasing to hold a managerial or executive office with the Company;
- (d) the status of any vesting conditions or other conditions for the Related Party Performance Rights and the Board's assessment of the performance of the participant up to the date of ceasing;
- (e) the participant's length of service and the extent to which they have served any applicable notice period; and
- (f) the reasons for ceasing to hold a managerial or executive office with the Company.

The Company has done an internal valuation of the Related Party Performance Rights prior to the issue of this Notice of Meeting which valued the Related Party Options as set out in Schedule 5. The assumed termination benefit is not greater than 5% of the equity interest of the company.

Shareholder approval is sought under section 200E of the Corporations Act to the giving of any benefit to the Related Parties (or their nominees) in connection with their future cessation of office or position with the Company under the terms of the Plan (or terms and conditions of grant) in relation to the Related Party Performance Rights, including as a result of any future exercise of a discretion by the Board under the terms of the Plan or the terms and conditions of the Related Party Performance Rights or any other Potential Termination Benefits.

Section 8.2 of the Explanatory statement above notes that the Plan, and the terms and conditions of grant of Performance Rights under the Plan to the Related Party (or their permitted nominee), contain a number of provisions which may constitute benefits for the purposes of section 200B of the Corporations Act.

These provisions may also constitute termination benefits for the purposes of ASX Listing Rule 10.19. As such, the Company is also seeking Shareholder approval for these benefits to be given.

8.5 **Technical information required by Listing Rule 14.1A**

If Resolution 7 is approved at the Meeting, the Related Party will be entitled to be paid the Potential Termination Benefits and the value may exceed the 5% threshold and the value of the Potential Termination Benefit may be disregarded when applying Section 200F(2)(b) or Section 200G(1)(c) of the Corporations Act (i.e. the benefits will not count towards the statutory caps that apply to benefits that may be given without shareholder approval).

If Resolution 7 is not approved at the Meeting, each Related Party will not be entitled to be paid any Potential Termination Benefits, unless they fall within an exception under the Corporations Act or do not breach the 5% threshold in Listing Rule 10.19.

8.6 **Additional Information**

The Board (other than Mr Paul Cmrlec, who abstains due to his material personal interest in the outcome of Resolution 7) recommends that Shareholders vote in favour of Resolution 7.

The Chair intends to vote all available proxies in favour of Resolution 7.

9. Resolution 8 – Increase of Non-Executive Director Fee Pool

9.1 Background

Clause 14.7 of the Constitution requires that the total aggregate fixed sum per annum to be paid to the Directors (excluding salaries of executive Directors) from time to time will not exceed the sum determined by the Shareholders in general meeting and the total aggregate fixed sum will be divided between the Directors as the Directors shall determine and, in default of agreement between them, then in equal shares.

Listing Rule 10.17 provides that an entity must not increase the total aggregate of Directors fees for non-executive Directors without the approval of holders of its ordinary shares.

The current aggregate remuneration amount was last approved at the Company's general meeting on 29 May 2024 and details of fees paid to non-executive Directors for the financial year ended 30 June 2025 are included in the Remuneration Report.

The total aggregate fixed sum per annum to be paid to the non-executive Directors is currently set at \$600,000.

Resolution 8 seeks Shareholder approval to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors by \$150,000 to \$750,000.

9.2 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Company will have an increased non-executive Directors fees pool of \$750,000 which will increase the Company's ability to retain existing non-executive Directors and to attract additional non-executive Directors.

If Resolution 8 is not passed this will not affect the proposed remuneration of the current non-executive Directors for the current financial year but in the long term this may affect the Company's ability to retain existing non-executive Directors and to attract additional non-executive Directors.

9.3 Addition information required by Listing Rule 10.17

The total amount of Directors' fees payable includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits on a pre-tax basis. It does not include reimbursement of genuine out-of-pocket expenses, genuine "special exertion" fees paid in accordance with the Company's Constitution, or securities issues to a non-executive Director under Listing Rule 10.11 or 10.14 with the approval of the Company's Shareholders.

In accordance with Listing Rule 10.17, the Company confirms that no securities have been issued to non-executive directors under Listing Rule 10.11 or 10.14 with Shareholder approval at any time in the preceding 3 years.

The Company proposes to pay non-executive Directors a total of \$710,000 in Directors' fees for the 2026 financial year including superannuation.

The total aggregate fixed sum per annum has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies.

A voting exclusion statement has been included in the Notice of Meeting.

Due to the Directors' interest in this Resolution, the Directors make no recommendation to Shareholders on Resolution 8. The Chair intends to direct all undirected proxies in favour of Resolution 8.

Schedule 3 – Summary of the Terms of the Plan

Term	Description
Eligibility	The Board has the discretion to determine which Eligible Participants can participate in the Pantoro Gold Incentive Awards Plan (Plan), and the number and type of Awards that they will be offered. Eligible Participants are any existing or prospective full-time or part-time employee, casual employee, director or individual service providers of the Company or any of its subsidiaries who are declared by the Board to be eligible to receive grants of Awards under the Plan.
Awards	Under the Plan the Company can grant Options, Performance Rights and Shares (together, Awards). The Board has the discretion to set the terms and conditions on which it will offer Awards under the Plan.
Invitation and Application Form	The Board may, in its absolute discretion, make a written invitation to any Eligible Participant to apply for Awards upon the terms set out in the Plan and upon such additional terms and conditions as the Board determines (Invitation). On receipt of an Invitation, an Eligible Participant (or their permitted nominee) may apply for the Awards the subject of the Invitation by providing a completed application form to the Company (which may be online). The Board may accept an application from an Eligible Participant or permitted Nominees in its discretion. In the event of any inconsistency between the Plan and a specific Invitation, the specific Invitation prevails. This can be used to modify the application of the Plan where necessary in specific circumstances.
Conditions to acquisition of Awards	The acquisition of Awards is conditional on compliance with all applicable legislation, stock exchange rules and the Constitution, and receipt of any necessary approvals required under applicable legislation, stock exchange rules, contractual agreements and the Constitution.
Cap on certain Invitations	Where an Invitation for Awards that require cash consideration to be paid either on issue or exercise (eg an option with an exercise price) is proposed to be made and the Company wishes to rely on the employee share scheme provisions in Division 1A of Part 7.12 of the Corporations Act (ESS Provisions), and the offer is not being made to an exempt investor under section 708 of the Corporations Act, the Company must reasonably believe, when making such an Invitation, that the Invitation will not result in the Company breaching the cap imposed by the ESS Provisions (being, where the Company is listed on a stock exchange, 5% of the total number of Shares on issue at the date of the Invitation or such other percentage as specified in the Company's Constitution).
Acquisition Price for Awards	The grant of Awards under the Plan may be subject to the payment of an acquisition price by the Participant as determined by the Board, or otherwise Awards may be granted at no cost to the Participant.
Exercise Price of Convertible Securities	The exercise price of Options or Performance Rights (together, Convertible Securities) may be determined by the Board, or otherwise may be exercised at no cost to the Participant.
Expiry Date of Convertible Securities	Convertible Securities that do not automatically convert on vesting should be given an expiry date, which can be no more than date 15 years from the

	date of grant of the Convertible Securities. A Convertible Security lapses on the Expiry Date if it has not been converted or otherwise lapsed.
Nature of Convertible Securities	Each Convertible Security will entitle its holder to subscribe for and be issued or transferred, one Share (upon vesting and exercise of that Convertible Security) unless the Plan or an applicable Invitation otherwise provides. See below in relation to a Cash Payment alternative. A Convertible Security does not entitle the Participant to: (i) other than as required by law, be given notice of, or to vote or attend at, a meeting of Shareholders; (ii) receive any dividends of the Company, whether fixed or at the Directors' discretion; (iii) any right to a return of capital, whether in a winding up, upon a reduction of capital, or otherwise; (iv) any right to participate in the surplus profits or assets of the Company upon a winding up; or (v) participate in new issues of Securities such as bonus issues or entitlement issues.
Vesting and exercise of Convertible Securities	The Board may determine that Convertible Securities will be subject to performance, service, or other conditions which must be satisfied before the Convertible Securities vest and are exercisable (either at the holder's election or automatically) (Vesting Conditions) and, if so, must specify those Vesting Conditions in the invitation to each Eligible Participant. The Board may, in its discretion, amend or waive any Vesting Conditions attaching to Convertible Securities at any time, subject to applicable law and stock exchange rules (which may require a rule waiver and shareholder approval). Specific invitations can provide that Vesting Conditions are automatically waived in full or pro rata in certain circumstances, for example a person ceasing employment other than For Cause, or on a Change of Control. Convertible Securities which have not lapsed under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived. Vested Convertible Securities can be exercised before their Expiry Date, unless they are exercised automatically on vesting (which must be specified in an invitation to apply). Following the valid exercise of a Convertible Security, the Company will issue or arrange the transfer of a Share to the Participant. Alternatively, if provided for by an Invitation, the Board may determine to make a cash payment equal to the Market Value of a Share as at the date the Convertible Security is exercised less, in respect of an Option, any Option Exercise Price, and any superannuation or other taxes, duties or other amounts the Company is required to pay or withhold in respect of any cash payment (Cash Payment). For the avoidance of doubt, if the Vesting Conditions relevant to a Convertible Security are not satisfied and/or otherwise waived, that Convertible Security will lapse.
Cashless Exercise Facility	The Board may, in its discretion, where Market Value is higher than the exercise price of vested Options, permit a Participant not pay the exercise price for exercised Options and instead be issued that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would

	otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share) (Cashless Exercise Facility).
Disposal of Convertible Securities	Except as otherwise provided for by the Plan, an Invitation, the ASX Listing Rules or required by law, a Convertible Security may only be disposed: (i) with the consent of the Board (which may be withheld in its discretion) in Special Circumstances, being: (A) ceasing to be an Eligible Participant due to death or total or permanent disability, or retirement or redundancy; (B) severe financial hardship; or (C) any other circumstance stated to constitute “special circumstances” in the terms of the relevant Invitation; or (ii) by force of law upon death to the Participant’s legal personal representative or upon bankruptcy to the Participant’s trustee in bankruptcy or under the law relating to mental health.
Shares as an Award or on vesting of Convertible Securities	Shares granted under the Plan or issued or transferred on the exercise of Convertible Securities will rank equally in all respects, and carry the same rights and entitlements, as other issued Shares, including dividend and voting rights.
Restricted Shares	(i) Subject to the Plan, Shares can be made subject to a Restriction Condition and/or a Restriction Period, either of which prohibit disposal until satisfied or waived at the Board’s discretion (unless an Invitation otherwise provides). (ii) Subject to the Plan, the Board may, at its discretion, waive or amend any Restriction Condition or Restriction Period applying to a Share at any time in whole or in part, subject to applicable law and stock exchange rules. (iii) Subject to the Plan, if a Restriction Condition is not met (and is not waived), the Company may, amongst other remedies, buyback and cancel the Shares for such consideration as determined by the Board (which may be nil), sell the Shares for at least 80% of Market Value, or declare the Shares to be forfeited and, where held by a trustee, for the Shares to return to the unallocated pool or to be allocated to a different Participant. (iv) A Share that is subject to a Restriction Period is not at risk of buyback/sale/forfeiture, it is just unable to be disposed of during the Restriction Period.
Forfeiture/lapse of Awards	Unless otherwise determined by the Board, a Share granted under the Plan will be forfeited, and a Convertible Security will lapse, in certain circumstances including: (i) in the case of a Convertible Security: (A) where the Board determines that any Vesting Condition applicable to the Convertible Security cannot be satisfied (and is not waived); or (B) on the Expiry Date applicable to the Convertible Security; (ii) in certain circumstances if the Eligible Participant leaves (ie ceases to be an Eligible Participant). See ‘Ceasing to be an Eligible Participant’ below;

		(iii) if the Board determines that the Award is liable to clawback (see 'Misconduct and Clawback' below); and (iv) where the Participant purports to dispose of the Award or enter any arrangement in respect of the Award, in breach of any disposal or hedging restrictions.
Participation and anti-dilution rights of Convertible Securities		Convertible Securities do not confer the right to participate in new issues of Shares or other securities in the Company. Subject to the ASX Listing Rules, the Plan provides for adjustments to be made to the number of Shares which a Participant would be entitled on a reorganisation of capital. If an Invitation provides, the number of Shares acquired on exercise of Convertible Securities and/or the exercise price (if any) of the Convertible Securities can be adjusted, in accordance with stock exchange rules, in the event of a bonus issue or pro-rata issue to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment).
Restrictions on Disposal Awards	on or	Convertible Securities and Restricted Shares may not be sold, transferred, mortgaged, pledged, charged, granted as security, or otherwise disposed of, except in Special Circumstances (as defined in the Plan). Participants must not enter any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any Convertible Securities or Restricted Shares.
Quotation of Awards		Awards, except Shares, will not be quoted on a stock exchange. The Company will, if its Shares are quoted on a stock exchange, apply for official quotation of any Shares issued under the Plan, in accordance with applicable stock exchange rules.
Ceasing to be an Eligible Participant		Subject to the Plan and an Invitation providing otherwise, upon a Relevant Person ceasing to be an Eligible Participant: (i) the Board, in its discretion, may resolve that unvested Convertible Securities lapse or vest in full or pro rata, or continue on foot subject to applicable Vesting Conditions (unless waived); (ii) the Board, in its discretion, may resolve that any vested Convertible Securities acquired by the Relevant Person or their Nominee under the Plan must be exercised within one (1) month (or such later date as the Board determines) of the date the Relevant Person ceases to be an Eligible Participant. If the Convertible Security is not exercised within that period, the Board may resolve, in its discretion, that the Convertible Security lapses as a result; and (iii) the Company may buy back and cancel, sell, or declare to be forfeited any Shares acquired by the Relevant Person or their Nominee under the Plan that are subject to an unsatisfied Restriction Condition that is not waived by Board. Specific Invitations can provide vary the above arrangements (eg to allow for full or partial vesting for good leavers unless the Board resolves otherwise). The template Invitation at the back of the Plan provides alternative wording to achieve this.
Change Control	of	Subject to the Plan and an Invitation providing otherwise, if a Change of Control occurs, or the Board determines that such an event will occur, the

	Board may, in its discretion, determine the manner in which any or all of a Participant's Awards will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the Change of Control. Specific Invitations can provide vary the above arrangements (eg to allow for full or partial vesting on a Change of Control unless the Board resolves otherwise). The template Invitation at the back of the Plan provides alternative wording to achieve this.
Misconduct and Clawback	If the Board becomes aware of a material misstatement in the Company's financial statements, that a Participant has committed an act of fraud, negligence or gross misconduct or failed to comply with any restrictive covenant or that some other event has occurred which, as a result, means that a Participant's Award should be reduced or extinguished, or should not vest, then the Board may, amongst other rights, claw back or adjust any such Award at its discretion to ensure no unfair benefit is derived by the Participant.
Trust	The Company may establish an employee share trust for the purposes of the Plan.
