## Change of Director's Interest – Shaun Day

---

Greatland Resources Limited (**Greatland**) (ASX:GGP, AIM:GGP) advises that Managing Director Shaun Day has exercised 250,000 options at an exercise price of A\$10.36 each and with an expiry date of 4 May 2026. The options converted into 250,000 fully paid ordinary shares in Greatland.

Coinciding with the options exercise, Mr Day has disposed of 250,000 fully paid ordinary shares on market with the majority of the proceeds used to fund the options exercise and tax obligation arising from the share sale.

The transactions were pre-approved in accordance with Greatland's Securities Dealing Policy.

He retains a significant holding of Greatland securities (including an unchanged number of shares) following the transactions detailed in the Change of Director's Interest Notice (Appendix 3Y) attached to this announcement.

The Appendix 3Y includes a holding of 167,939 performance rights issued in December 2025 for which an Appendix 3Y was not lodged at the time of issue due to an administrative oversight by an interim company secretary. The issue was however notified to ASX through the Appendix 3G lodged on 23 December 2025. The issue of these performance rights was approved at the 2025 annual general meeting and further details are available in the notice of meeting lodged with ASX on 10 October 2025.

Greatland has established policies and procedures in place to ensure its compliance with Listing Rule 3.19A, including obligations in the Securities Dealing Policy on directors and the company secretary regarding the timely notification and disclosure of changes in directors' interests in securities, maintenance of a register of directors' interests, and monitoring of the share register for movements in holdings. Greatland considers that its arrangements are adequate and considers this to be an isolated event but will update its checklist for issues of securities to ensure all required actions are taken in future.

**This announcement was approved for release by the Board of Greatland.**

## **About Greatland**

Greatland is a gold and copper mining company listed on the Australian Securities Exchange and London Stock Exchange's AIM Market (ASX:GGP, AIM:GGP), and operates its business from Western Australia.

The Greatland portfolio includes the 100% owned Telfer mine, the adjacent 100% owned brownfield world class Havieron gold-copper development project and a significant exploration portfolio within the surrounding region. The combination of Telfer and Havieron provides for a substantial and long-life gold copper operation in the Paterson Province in the East Pilbara region of Western Australia.
