Robert Cross Glenn Whiddon Robert Downey John Arbuckle

#### **REVIEW AND RESULTS OF OPERATIONS**

### Pardoo Nickel Project

In July 2007, assay results from drilling conducted in April and May 2007 confirmed significant width and grade continuity of nickel sulphide mineralisation at the Highway resource. Preliminary metallurgical test work of diamond core samples by AMMTEC Ltd indicated potential recoveries of up to 90% for nickel, producing low by saleable nickel/copper concentrates, free of contaminants and penalty metals.

Segue commissioned Snowden Mining Industry Consultants ("Snowden") to conduct a review of the available drill hole data and determine a JORC compliant resource. Snowden's report concluded that the Pardoo Nickel Project has an Inferred Mineral Resource of 44.7 million tonnes, grading 0.3% nickel and 0.1% copper using a 0.1% nickel cutoff in respect of the Highway resource.

The total October 2007 Inferred Mineral Resource contains 134,000 tonnes of nickel and 44,700 tonnes of copper, representing a 21% increase in nickel tonnes from similar previous historical estimates, after combining 23 additional RC and diamond core holes drilled at the Highway Resource.

In December 2007, Segue entered into a farmin and joint venture agreement with Mithril Resources Ltd ("Mithril"). Initially Mithril will have the right to earn a 51% interest in the Pardoo Nickel Project by expending \$5,500,000 over 4 years. Mithril may increase its ownership to 65% by expending a further \$10,000,000 or by completing a bankable feasibility study, whichever occurs first.

Mithril will co-ordinate and implement the exploration program on the Pardoo Nickel Project and thereafter act as the manager of the joint venture and will also be responsible for the payment of all rents and keeping the tenements in good order.

## Angela & Pamela Uranium Project

In September 2007, Segue was advised by McCleary Investments Pty Ltd, that based on advice from its solicitors, it had decided not to continue its appeal against the Supreme Court of the Northern Territory's decision in regards to the mineral claim and mineral lease application for Block RO1292 (Angela).

## **Coronet Hill Project**

Drilling targets have been identified from an induced polarisation geophysical survey completed in the last field season. Zones of high chargeability, indicative of disseminated sulphide concentrations require investigation. These targets will be drilled as soon as appropriate drilling contractors can be sourced and access can be created.

## Corporate

In February 2008, Segue announced that it had placed 10,000,000 ordinary fully paid shares, issued at \$0.05 each, to raise \$500,000. The purpose of the issue was to fund existing exploration projects, repay the convertible note and provide working capital for the Company.

The Group incurred a loss for the half year of \$377,520 (2006: \$426,443).

## **AUDITOR'S INDEPENDENCE DECLARATION**

We have obtained an independence declaration from our auditor's, PKF Chartered Accountants, which is included on page 5.

Signed in accordance with a resolution of the directors

Robert Downey Director

Perth, 13 March 2008

## **AUDITOR'S INDEPENDENCE DECLARATION**

As lead auditor for the review of Segue Resources Limited for the half year ended 31 December 2007, I declare that, to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (b) no contraventions of any applicable code of professional conduct in relation to the review.

#### 1. CORPORATE INFORMATION

The financial report of Segue Resources Limited ("the Company") for the half-year ended 31 December 2007 was authorised for issue in accordance with a resolution of the directors on 13 March 2008. Segue Resources Limited is a company incorporated in Australia and limited by shares which are publicly traded on the Australian Securities Exchange.

The nature of the operations and principal activities of the Company are described in note 3.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The half-year financial report does not include all of the notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

The half-year financial report should be read in conjunction with the annual Financial Report of Seque Resources Limited as at 30 June 2007.

It is also recommended that the half-year financial report be considered together with any public announcements made by Segue Resources Limited and its controlled entities during the half-year ended 31 December 2007 in accordance with the continuous disclosure obligations arising under the *Corporations Act 2001*.

## (a) Basis of Preparation

The half-year consolidated financial report is a general purpose financial report, which has been prepared in accordance with the requirement of the Corporations Act 2001, applicable Accounting Standards, including AASB 134 "Interim Financial Reporting" and other mandatory professional reporting requirements. The half-year financial report has been prepared on a historical cost basis, except where stated.

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

## (b) Going concern

The Financial Report has been prepared on the basis of a going concern. The Company's ability to continue as a going concern is contingent upon raising additional capital to fund exploration commitments, other principal activities and for use as working capital. If additional capital is not raised, the going concern basis may not be appropriate with the result that the Company may have to realise its assets and extinguish its liabilities other than in the ordinary course of business and at amounts different from those stated in the Financial Report.

No allowance for such circumstances has been made in the Financial Report.

### (c) Significant accounting policies

The half-year consolidated financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2007, except for the adoption of amending standards mandatory for annual periods beginning on or after 1 July 2006. The Company has complied with the following accounting standards:

- AASB 101 (revised October 2006) Presentation of the financial statements
- AASB 7 Financial Instruments: Disclosures
- AASB 2005-10 Amendments of Australian Accounting Standards (AASB 132, 101, 114, 117, 133, 139, 1, 4, 1023, and 1038)

- AASB 2007-1 Amendments of Australian Accounting Standards arising from the Interpretation 11 (AASB 2)
- AASB 2007-4 Amendments of Australian Accounting Standards arising from ED 151 and Other Amendments
- AASB 2007-7 Amendments of Australian Accounting Standards (AASB 1, AASB2, AASB 4, AASB5, AASB107, & AASB 128)
- Interpretation 10 Interim Financial Reporting Impairment
- Interpretation 11 AASB 2- Group and Treasury Share Transactions

#### (d) Investments and other financial assets

Financial assets in the scope of AASB 139 Financial Instruments: Recognition and Measurement are classified as either financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, or available-for-sale financial assets. When financial assets are recognised initially, they are measured at fair value, plus, in the case of investments not at fair value through profit or loss, directly attributable transaction costs. The Group determines the classification of its financial assets after initial recognition and, when allowed and appropriate, re-evaluates this designation at each financial year-end.

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date that the Group commits to purchase the asset. Regular way purchases or sales are purchases or sales of financial assets under contracts that require delivery of the assets within the period established generally by regulation or convention in the market place.

(i) Financial assets at fair value through profit or loss
Financial assets classified as held for trading are included in the category 'financial assets at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling in the near term with the intention of making a profit. Derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on investments held for trading are recognised in profit or loss.

## 3. SEGMENT INFORMATION

The Company operates in one business and geographical segment being mineral exploration and prospecting for minerals in Australia.

### INDEPENDENT AUDITOR'S REVIEW REPORT

#### TO THE MEMBERS OF SEGUE RESOURCES LIMITED

#### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Segue Resources Limited ("Segue"), which comprises the condensed balance sheet as at 31 December 2007, and the condensed income statement, condensed statement of changes in equity and condensed cash flow statement for the half-year ended on that date, a statement of accounting policies, other selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at 31 December 2007 or from time to time during the half year ended on that date.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2007 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Segue, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

## Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Segue is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
